Christ Paul etc lived extraordinary lives and made significant impact in their respective generations And the common denominator I found in the lives of these great people was that they encountered the BLESSINGS OF GOD in diverse areas of their lives at certain points in time After I discovered the secrets of these great people I embarked on putting them into practise in my own life and ministry and I started reaping great results in a short span of time I know that you too my dear reader desire to experience God s blessings in your life in your marriage your family your christian life your business your career your health your ministry your finances etc Many believers always murmur about how they have served the Lord for years and yet have not seen any significant transformation in most areas of their lives apart from their spiritual lives I have written this book to HELP YOU In this book you are gong to learn about the true definitions of blessing the various dimensions of blessings God gives to His children the powerful effects of the blessings of God in a person s life HOW TO ACCESS ANY BLESSING YOU DESIRE FROM THE LORD the reasons why most believers don t experience God s blessings in important areas of their lives After you read this book and put the contents into practise in your life you will be thoroughly equipped to receive God s blessings into your life And not only that you will also learn how to utilise God s blessings for the greater good of others and the society at large This book is the first in a series of books about how to experience the blessings of God in your life Grab a copy of this book and set your destiny on the path of total transformation Welcome to a life of fulfilment and fruitfulness In Jesus Mighty Name
