Endres SJ, 2023-11-29 This study of Jubilees 19 30 Jacob traditions focuses on the author's redaction of biblical tradition in Genesis 23 34 especially the additions to and deletions from the tradition Two questions arise consistently how did the writer interpret redact the story and what did he propose theological tendencies The focal point is how he retold the story in keeping with his vision *Studies in the Book of Jubilees* Matthias Albani, Jörg Frey, Armin Lange, 1997 *The Book of Jubilees (The Little Genesis, The Apocalypse of Moses) Old Testament / Apocrypha / Pseudepigrapha* Dr. A. Sinai: The Book of Jubilees and Exodus](#) Betsy Halpern-Amaru, 2015-09-16 Although termed the little Genesis the Book of Jubilees is significantly engaged with Exodus It reworks key Exodus narratives develops modules of Exodus law and highlights Exodus motifs The most fundamental connection to Exodus is the grounding of the two narrational structures of Jubilees in the scenario of Moses receiving a revelation on Mt Sinai In the frame an anonymous narrator develops the Mt Sinai setting of the work In the body an angel employs that setting as the present time pivot for a retrospect that moves backward and forward in time Focusing on the intersection of structure and content the study explores the relationship between the retrospective design of the angel narration and the exegesis The approach is a literary one that treats Jubilees as a unitary text that may reflect the work of a single author or of a final editor The analysis draws particular attention to manipulations of temporal and textual perspective that transform Exodus narratives facilitate the hermeneutical elaborations of Exodus law and effect cohesion in the revelation that is the Book of Jubilees Halpern Amaru's study makes a significant contribution to our understanding of biblical interpretation in Second Temple Judaism For example the reading of the Jubilees narrative of the exodus as a revelation of how God uses His heavenly forces i e Mastema and his demons as well as the angels of the presence on behalf of Israel has implications for the understanding of strategies that temper dualism in Second Temple Judaism
