mass of data has grown to bury truth and defeat the discerning Librarians have lost sight of what is important The uncontrollable mass of data the transformation of the library to an information center the demise of the card catalog the meretriciousness of publishers offerings the dumbing down of textbooks the decision by the Library of Congress to use the OCLC online system exclusively these are all the subjects of thought provoking and unsweetened opinions welcome reminders of the rich tradition of intellectual freedom in the profession The Emerald Tablet Dennis William Hauck,1999-03-01 The Emerald Tablet an ancient document that contains the essence of the alchemical teachings has had an important influence on many Western spiritual and religious traditions Ostensibly concerned with turning base metals into gold alchemy was in fact dedicated to transforming the lead of self into the gold of spirit This brilliant history of alchemy traces its sources back to ancient Egypt and presents alchemy as a useful practical system of self transformation Each of the seven steps of alchemical transformation is explained with hands on techniques and exercises treating alchemy as a living discipline for achieving a spiritual awakening **Restoring the Goddess** Barbara G. Walker,2000-03 Harkening back to the widespread worship of a mother goddess at the dawn of civilization Walker argues for a restoration of this primal religious sensibility which celebrated the Earth s fertility and woman s innate power to bear new life Pagans & Christians Gus DiZerega,2001 Although Christianity is still a major religious force there are growing numbers of people in other faiths including the various Pagan traditions Some Christians have responded to this trend with fear and derision while some Pagans have reacted to that fear with anger and mistrust Much of the problem is due to misunderstandings and lack of communication This can change with Gus diZerega s Pagans Christians Here you will find a penetrating and illuminating comparison showing that neither path has the single correct approach to the Divine Rather either or both can be authentic and legitimate expressions of the appreciation of the Ultimate Source of All Pagans Christians is an ideal way to help bridge what at time seems a wide chasm between Christian and Pagan beliefs By sharing core ideas of both paths this book provides a way to give deeper mutual understanding and unity among the religions of the world Although Pagans Christians accepts both paths as valid the book provides a more in depth explanation of Paganism the minority religion because in some ways Paganism demands a greater defense and explanation of its beliefs and ideas to dispel misunderstandings The author is a Third Degree Gardenerian Elder and in Pagans Christians has presented nothing less than a brilliant defense of Paganism clearly showing how it should stand beside all of the major religions of the world as an equal As part of this defense diZerega gives a listing of biblical contradictions and Christian philosophical difficulties which can help any Pagan responding to a negative attack and will help any Christian to view his or her religion as a way not the way Winner of the 2001 Coalition of Visionary Resources COVR Award for Best Non fiction Book *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The

literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
