The Border Patrol Ate My Dust:

The Border Patrol Ate My Dust Alicia Alarcón, 2004-09-30 In 1979 Mexican President Jos L pez Portilla assured his compatriots that the prosperity of the petroleum boom would reach every corner of the Republic of Mexico The mother of the narrator in the first passage asks Do you believe what the president says The young narrator listens agape at the president's statements while his work weary parents contemplate a trip to el Norte When the promised prosperity doesn't reach the corners of San Luis Potos the narrator sets out with his father to try to improve their finances With the dream of the wealthy Hollywood that he sees on television tucked in his pocket he along with the other narrators in this collection of Spanish language testimonials struggles to reach the United States Radio personality Alicia Alarcón invited listeners who had migrated to the United States to call and share their stories In these pages Alarcón collects the footsteps of these travelers through their flight and their falls Their stories highlight the true American experience for immigrants from all over South and Central America who decide to leave their respective homelands These intriguing but heartbreaking passages reveal young and old men and women who must overcome the impossible as they hope to find a better place than the one they've left behind These difficult and gritty stories are the stories of the successful the ones who make it across past the natural and the bureaucratic obstacles along the border only to scratch together lives on the other side **Border Patrol Ate My Dust**

, *Documenting the Undocumented* Marta Caminero-Santangelo, 2017-10-10 Looking at the work of Junot Díaz Cristina García Julia Alvarez and other Latino authors who are U.S. citizens Marta Caminero-Santangelo examines how writers are increasingly expressing their solidarity with undocumented immigrants Through storytelling these writers create community and a sense of peoplehood that includes non-citizen Latino as This volume also foregrounds the narratives of unauthorized migrants themselves showing how their stories are emerging into the public sphere Immigration and citizenship are multifaceted issues and the voices are myriad They challenge common interpretations of illegal immigration explore inevitable traumas and ethical dilemmas protest their own silencing in immigration debates and even capitalize on the topic for the commercial market Yet these texts all seek to affect political discourse by advancing the possibility of empathy across lines of ethnicity and citizenship status As border enforcement strategies escalate along with political rhetoric detentions and deaths these counternarratives are more significant than ever before and their perspectives cannot be ignored What we are witnessing argues Caminero-Santangelo is a mass mobilization of stories This growing body of literature is critical to understanding not only the Latino immigrant experience but also alternative visions of nation and belonging **The**

Cambridge History of Latina/o American Literature John Morán González, Laura Lomas, 2018-02-22 The Cambridge History of Latina/o American Literature emphasizes the importance of understanding Latina/o literature not simply as a U.S. ethnic phenomenon but more broadly as an important element of a trans-American literary imagination Engaging with the dynamics of migration linguistic and cultural translation and the uneven distribution of resources across the Americas that

characterize Latina o literature the essays in this History provide a critical overview of key texts authors themes and contexts as discussed by leading scholars in the field This book demonstrates the relevance of Latina o literature for a world defined by the migration of people commodities and cultural expressions *The Shade of the Saguaro / La sombra del saguaro. Essays on the Literary Cultures of the American Southwest / Ensayos sobre las culturas literarias del suroeste norteamericano* Gaetano Prampolini, Annamaria Pinazzi, 2013 This volume springs from that fruitful project of scientific cooperation between the humanities departments of Universit di Firenze and University of Arizona which was the Forum for the Study of the Literary Cultures of the Southwest 2000 2007 Tri cultural at least Native Hispanic and Anglo American and multi lingual today s Southwest presents a complex coexistence of different cultures the equal of which would be hard to find elsewhere in the United States Of this virtually inexhaustible object of study the essays here collected tackle an ample range of themes While the majority of them are concerned with the literatures of the Southwest still a good third falls into the fields of history art history ethnography sociology or cultural studies They are partitioned in four sections the first three reflecting the chronology of the stratification of the three major cultures and the fourth highlighting one of the most sensitive topics in and about contemporary Southwest the borderlands la frontera *Undocumented Immigrants in the United States* Anna Ochoa O'Leary, 2014-02-25 This two volume reference work addresses the dynamic lives of undocumented immigrants in the United States and establishes these individuals experiences as a key part of our nation s demographic and sociological evolution This two volume work supplies accessible and comprehensive coverage of this complex subject by consolidating the insights of hundreds of scholars who have studied the issues of undocumented immigration in the United States for years It provides a historical perspective that underscores the exponential growth of the undocumented population in the last three decades and presents a more nuanced more detailed and therefore more accurate portrait of undocumented immigrants than is available in general media Also included are recommended resources that will serve researchers seeking more information on topics regarding undocumented immigrants *The Greenwood Encyclopedia of Latino Literature* Nicolás Kanellos, 2008-08-30 From East L A to the barrios of New York City and the Cuban neighborhoods of Miami Latino literature or literature written by Hispanic peoples of the United States is the written word of North America s vibrant Latino communities Emerging from the fusion of Spanish North American and African cultures it has always been part of the American mosaic Written for students and general readers this encyclopedia surveys the vast landscape of Latino literature from the colonial era to the present Aiming to be as broad and inclusive as possible the encyclopedia covers all of native North American Latino literature as well as that created by authors originating in virtually every country of Spanish America and Spain Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors While most of the entries are on writers such as Julia Alvarez Sandra Cisneros Lorna Dee Cervantes Oscar Hijuelos and Piri Thomas others cover genres ethnic and national literatures movements historical topics and events themes concepts associations and

organizations and publishers and magazines Special attention is given to the cultural political social and historical contexts in which Latino literature has developed Entries cite works for further reading and the encyclopedia closes with a selected general bibliography Entries cite works for further reading and the encyclopedia closes with a selected general bibliography The encyclopedia gives special attention to the social cultural historical and political contexts of Latino literature thus making it an ideal tool to help students use literature to learn about history and cultural diversity

Migrant Deaths in the Arizona Desert Celestino Fernández, Raquel Rubio-Goldsmith, Jessie K. Finch, Araceli Masterson-Algar, 2016-10-25

The Practice of Global Citizenship Luis Cabrera, 2010-10-14 In this novel account of global citizenship Luis Cabrera argues that all individuals have a global duty to contribute directly to human rights protections and to promote rights enhancing political integration between states The Practice of Global Citizenship blends careful moral argument with compelling narratives from field research among unauthorized immigrants activists seeking to protect their rights and the Minuteman activists striving to keep them out Immigrant rights activists especially those conducting humanitarian patrols for border crossers stranded in the brutal Arizona desert are shown as embodying aspects of global citizenship Unauthorized immigrants themselves are shown to be enacting a form of global civil disobedience claiming the economic rights central to the emerging global normative charter while challenging the restrictive membership regimes that are the norm in the current global system Cabrera also examines the European Union seeing it as a crucial laboratory for studying the challenges inherent in expanding citizen membership

Radiophonic Feminisms Esther Díaz Martín, 2025-08-12 How Latina voices in commercial radio and podcasting subvert cultural norms and bring feminism to the fore of their work What does Latina feminism sound like in popular culture Drawing on case studies of commercial radio programs and podcasts hosted by Latinas and oriented toward Latinx listenership Esther Díaz Martín explores how Latina voices create female specific aural spaces that interrupt the misogynist status quo in US mainstream media Radiophonic Feminisms focuses on radio podcasting as a medium in which women find methods for resisting oppressive gendered cultural imaginaries Through their specific articulations that is the quality of their voices their music choices and the soundscapes they construct Latina hosts since the early 1990s have offered feminist responses to a cultural moment marked by the demographic changes brought on by the political economy of migration and the social changes wrought by media in the digital age Drawing attention to the invisible antisexist work of creating sound and to its reception Díaz Martín bridges the epistemic insights of Chicana feminist theory and sound studies enriching and further decolonizing our thinking about auditory meaning making

Almost All Aliens Paul Spickard, 2009-05-07 Almost All Aliens offers a unique reinterpretation of immigration in the history of the United States Leaving behind the traditional melting pot model of immigrant assimilation

Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States His astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining not only the lives of those who crossed the Atlantic but also those who crossed the Pacific the Caribbean and the North American Borderlands *Almost All Aliens* provides a distinct inclusive analysis of immigration and identity in the United States from 1600 until the present For additional information and classroom resources please visit the *Almost All Aliens* companion website at www.routledge.com/textbooks/almostallaliens
