The Brotherhood of the Grape John Fante, 2005 Henry Molise a fifty year old successful writer returns to the family home to help with the latest drama his elderly parents want to divorce Henry's tyrannical bricklaying father Nick despite being weakened by age and alcoholism can still strike fear into the hearts of his sons His mother ill and devoutly Catholic still has the power both to comfort and confuse her children Nick has been offered some well paid work to build a smokehouse in the hills and Henry realising this might be the last chance they have to reconcile things agrees to lend a hand What he doesn't appreciate is how much this journey is going to change his view of his father The Brotherhood of the Grape is vintage Fante brimming with love death violence and religion Writing with great passion Fante powerfully describes the damage that family can wreak upon us all Praise for The Brotherhood of the Grape Fante was my God Charles Bukowski Fante was capable of expressing thought and experience with an honesty that was as intimate as it was evocative and as magical as it was true Time Out John Fante is one of the great unheralded voices in American fiction The Face

The Brotherhood of the Grape John Fante, 1977 Henry Molise a 50 year old successful writer returns to the family home to help with the latest drama his aging parents want to divorce Henry's tyrannical brick laying father Nick though weak and alcoholic can still strike fear into the hearts of his sons His mother though ill and devout to her Catholicism still has the power to comfort and confuse her children This is typical of Fante's novels it's autobiographical and brimming with love death violence and religion Writing with great passion Fante powerfully hits home the damage family can wreck upon us all

The Brotherhood of the Grape John Fante, 2004-11-04 Nick Molise stonemason adulterer and heavy drinker is father to four grown up children and not a good father He's getting old and his health is deteriorating and yet he insists on taking on a final stonemasonry job for a friend and is hell bent on dragging his eldest estranged son Henry along for a final attempt at some father son bonding After completing the shoddy job which involves consumption of a great deal of wine and a near death experience Henry finally comes to terms with his father's tyranny and imminent demise and ultimately appreciates his family in spite of their numerous flaws A rich Italian American family drama painfully sad and yet funny this book is an American classic

The Brotherhood of the Grape John Fante, 1988 The last ten days in the life of Nick Molise Italian stonemason domineering father alcoholic and womanizer are chronicled by the one son who escapes his tyranny and the confines of a small California town

John Fante Richard Collins, 2000 John Fante an important figure in the history of the Italian American novel is proving to be fascinating to contemporary readers Richard Collins has caught Fante's spirit from several crucial angles as an ethnic writer as a comic novelist as a serious writer struggling to remain so in Hollywood Intelligent balanced informative and empathetic this book combines criticism with scholarship and biography with history to make what Henry James would have called a perfect literary portrait for it gives life to an interesting subject

John Fante Stephen Cooper, David M. Fine, 1999 Over the span of a half century from the early 1930s to the early 1980s the Italian American Fante 1909 1983

wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down and out days in Los Angeles to his adventures as a screenwriter in Hollywood He writes about all these things with gusto humor directness and an honesty tinged with the irony of a true modernist **BOOK JACKET Queen Calafia's Paradise** Kenneth Scambray, 2007 In *Queen Calafia's Paradise* Ken Scambray explains that California offers Italian American protagonists a unique cultural landscape in which to define what it means to be an American and how Italian American protagonists embark on a voyage to reconcile their Old World heritage with modern American society In Pasinetti's *From the Academy Bridge* 1970 Scambray analyzes the influence of Pasinetti's diverse California landscape upon his protagonist Scambray argues that any reading of Madalena's *Confetti for Gino* 1959 set in San Diego's Little Italy must take into account Madalena's homosexuality and his little known homosexual World War II novel *The Invisible Glass* 1950 In his chapters covering John Fante's Los Angeles fiction Scambray explores the Italian American's quest to locate a home in Southern California Ken Scambray teaches courses in North American Italian literature and Los Angeles fiction at the University of La Verne

When We Were Bandini Emanuele Pettener, 2024-06-25 John Fante's work has consistently delved into profound themes including the elusive American Dream the delicate psychology of immigrants and the intricate dynamics of Italian American families This study reveals the ingenious manner in which Fante employs humor and satire as powerful rhetorical devices to breathe life into his Italian Italian American and American characters Drawing inspiration from literary giants such as Luigi Pirandello and Ren Girard the author embarks on a fascinating journey into Fante's rich literary landscape *When We Were Bandini* also offers an engaging comparison between Fante's works and those of other authors like Cervantes Hamsun Bukowski and even his own son Dan Fante This comparative analysis sheds light on the possible reasons behind Fante's unique status he is a cult writer in Europe relatively underappreciated in his home country the United States Challenging the conventional notions of Fante as a strictly autobiographical and confessional writer the author urges readers to look beyond the surface and unravel the layers of his literary genius John Fante Catherine J. Kordich, 2000 Fante's depiction of the Italian American experience in California in novels and novellas like *Full of Life* and *My Dog Stupid* has been recognized as part of the national drama of assimilation and ethnicity Kordich looks at the life and works of Fante whose long underground fame has evolved into a mainstream literary readership Migration and the Rise of the United States Amba Pande, Camelia Tigau, 2024-08-20 By bringing together eminent scholars this book highlights the current scholarship in the field of migration which tries to present a counter narrative to popular anti immigrant rhetoric and populist domestic politics There has been a growing global trend of alternative histories and anthropologies that brings forth the voices from the margins and the developing world This volume in that sense without undermining the US's eminence tries to deprovincialise Burke 2020 or deparochialise it from within or through the histories of the immigrants In other words it attempts to re read the US's emergence as an important power with immigration as the site of analysis It provides a comprehensive and in depth

theoretical and empirical discussion that will appeal to scholars and practitioners alike **John Fante's Ask the Dust** Stephen Cooper, Clorinda Donato, 2020-04-07 This volume assembles for the first time a staggering multiplicity of reflections and readings of John Fante's 1939 classic *Ask the Dust* a true testament to the work's present and future impact The contributors to this work writers critics fans scholars screenwriters directors and others analyze the provocative set of diaspora tensions informing Fante's masterpiece that distinguish it from those accounts of earlier East Coast migrations and minglings A must read for aficionados of L A fiction and new migration literature John Fante's *Ask the Dust* A Joining of Voices and Views is destined for landmark status as the first volume of Fante studies to reveal the novel's evolving intertextualities and intersectionalities Contributors Miriam Amico Charles Bukowski Stephen Cooper Giovanna DiLello John Fante Valerio Ferme Teresa Fiore Daniel Gardner Philippe Garnier Robert Guffey Ryan Holiday Jan Louter Chiara Mazzucchelli Meagan Meylor J aime Morrison Nathan Rabin Alan Rifkin Suzanne Manizza Roszak Danny Shain Robert Towne Joel Williams **The Cultures of Italian Migration** Graziella Parati, Anthony Julian Tamburri, 2011-12-28 The Cultures of Italian Migration allows the adjective Italian to qualify people's movements along diverse trajectories and temporal dimensions Discussions on migrations to and from Italy meet in that discursive space where critical concepts like home identity subjectivity and otherness eschew stereotyping This volume demonstrates that interpretations of old migrations are necessary in order to talk about contemporary Italy New migrations trace new non linear paths in the definition of a multicultural Italy whose roots are unmistakably present throughout the centuries Some of these essays concentrate on topics that are historically long term such as emigration from Italy to the Americas and southern Pacific Ocean Others focus on the more contemporary phenomena of immigration to Italy from other parts of the world including Africa This collection ultimately offers an invitation to seek out new and different modes of analyzing the migratory act **Magic Pickle & The Planet of the Grapes** Scott Morse, 2013-07-30 Meet the Magic Pickle a dilly of a superhero who's fighting the food fight against a brotherhood of evil fruits and vegetables who are plotting to take over the world Magic Pickle is a secret weapon developed in a secret military lab under little JoJo Wigwam's bedroom floor The fearless dill superhero meets his match in this feisty eight year old Together they go after Ray Sin a renegade raisin from the Brotherhood of Evil Produce Ray Sin has a dastardly plan to turn every human being on the planet into big juicy mindless grapes so he can rule the world

California Grape Grower, 1919 **Beyond the Margin** Paolo Giordano, Anthony Julian Tamburri, 1998 The editors goal in this book is to give a critical overview of where Italian American literary and cultural studies are today To this end Beyond the Margin includes three types of essays the characteristics of Italian American literature and culture in a general sense specific writers and film Soft Soil, Black Grapes Simone Cinotto, 2014-05-02 Winner of the 2013 New York Book Show Award in Scholarly Professional Book Design From Ernest and Julio Gallo to Francis Ford Coppola Italians have shaped the history of California wine More than any other group Italian immigrants and their families have made California

viticulture one of America's most distinctive and vibrant achievements from boutique vineyards in the Sonoma hills to the massive industrial wineries of the Central Valley But how did a small group of nineteenth century immigrants plant the roots that flourished into a world class industry Was there something particularly Italian in their success In this fresh fascinating account of the ethnic origins of California wine Simone Cinotto rewrites a century old triumphalist story He demonstrates that these Italian visionaries were not skilled winemakers transplanting an immemorial agricultural tradition even if California did resemble the rolling Italian countryside of their native Piedmont Instead Cinotto argues that it was the wine makers access to social capital or the ethnic and familial ties that bound them to their rich wine growing heritage and not financial leverage or direct enological experience that enabled them to develop such a successful and influential wine business Focusing on some of the most important names in wine history particularly Pietro Carlo Rossi Secondo Guasti and the Gallos he chronicles a story driven by ambition and creativity but realized in a complicated tangle of immigrant entrepreneurship class struggle racial inequality and a new world of consumer culture Skillfully blending regional social and immigration history *Soft Soil Black Grapes* takes us on an original journey into the cultural construction of ethnic economies and markets the social dynamics of American race and the fully transnational history of American wine **California** ,1989
