The Brothers Reno:

The Brothers Reno Jesse Lee Vint, 2014-12-17 Before the term outlaw even existed four daring desperados were defining it pulling off incredible train heists and robberies that would forever become the source material for Wild West history Their skill and cunning inspired the creation of the James Younger Gang the Dalton Gang even Butch Cassidy and the Sundance Kid But the Reno brothers were all real And when they began tearing a path through America's heartland with a string of bank and train robberies so intricate and perfectly orchestrated that nobody could solve them it wasn't long before world famous detective Allen Pinkerton was put on the case Now lured into a revealing interview by a beautiful young woman Pinkerton shares the story of the shrewdest and most intelligent outlaws that he had ever pursued quite the accomplishment when his agency was famous for pursuing them all Penned by accomplished Western actor Jesse Lee Vint *The Brothers Reno* is an engaging work of historical fiction inspired by the true stories of some of the most courageous and cunning cowboys of the American West Serving as a candid portrait of the post Civil War era Reno strikes a perfect balance of humor heart and history for a fast paced and entertaining read from beginning to end **The Notorious Reno Gang** Rachel

Dickinson, 2017-05-01 The true story of the world's first robbery of a moving train and the real origins of the Wild West They were the first outlaws to rob a moving train But from 1864 to 1868 the Reno brothers and their gang of counterfeiters robbers burglars and safecrackers also held the town of Seymour Indiana hostage making a large hotel near the train station their headquarters When the gang robbed the Adams Express car of the Ohio Mississippi Railroad on the outskirts of Seymour on October 6 1866 it shocked the world and made other burgeoning outlaws like Jesse James sit up and take notice The extraordinary and extra legal efforts to take them out defined the term frontier justice From the first report of the robbery Allan Pinkerton's operatives were on the scene followed by kidnappings lynchings and an extradition from Canada to Indiana that caused an international incident In the end ten members of the Reno Gang were hanged including three of the Reno brothers And no one was ever charged with the murders *The Notorious Reno Gang* tells the complete story for the first time revealing how these gangsters Pinkerton's National Detective Agency and the little city of Seymour ushered in the Wild West **Querp Modern - the Wild West** Jamie Wallis, 2010-10-27 Welcome to Modern Quick Easy Role Playing in the Wild West Researched and written based on *The Wild West* of the United States This the latest QMod release has everything that

you need to run a rootin tootin gun slinging games evening This book includes over 10 new character types New Special Skills Gambling rules for Poker and Roulette QUERP style an adventure to get you started *Reno's Heyday* David Lowndes, 2016-11-28 For 60 years starting in 1931 Reno was unarguably the place where things not possible elsewhere were its hallmarks gambling divorce and uncomplicated weddings Old promotional campaigns described two Renos one for gambling and entertainment and one for outdoor activities For locals there were two other Renos One was a beautiful city on a mountain river between towering peaks It was a community of local businesses where people knew each other and were

proud of its university The other Reno was the city of casinos and top name entertainment that attracted visitors For most of those 60 years the visitors Reno increasingly crowded out the residents Reno But with the decline of the divorce and gambling businesses and the coming of new high tech industries to Reno s economy Reno s heyday may be just gearing up for a second wind

The Genesis of Reno Jack Harpster,2016-09-13 Over 157 years ago before there was a Reno Nevada before there was a state of Nevada and even before there was a Nevada Territory there was a bridge over the Truckee River at a narrow deeply rutted cattle and wagon trail that would one day become Virginia Street There was also a small rustic inn and tavern occupying a plot of ground at the southern end of the log and timber bridge catering to thirsty cowboys drovers and miners The inn and the bridge were the first two structures in what would one day be a bustling metropolitan area and to this day they still form the nucleus of the city The Genesis of Reno traces their history up to the present day The 111 year old concrete bridge that was replaced in 2016 by a magnificent new structure was honored for its longevity and unique character with placement on the National Register of Historic Places in 1980

The Better Brother Roy Bird,2011-07-15 Years of painstaking research have uncovered more detail on Thomas Ward Custer the younger brother of the legendary General George Custer Historians are now coming to understand the full influence of Tom Custer on his brother and American life from his heroic exploits during the Civil War to his legendary bravery during the Indian Wars where he served under his brother as his aide de camp Had Tom not been overshadowed by his more famous brother he might well have become one of the more notable characters and military officers of the American West Despite winning two Congressional Medals of Honor his legendary feud with Rain in the Face the shooting scrape with Wild Bill Hickok and many other fearsome exploits Tom has taken a backseat to George in the American imagination Only recently has his influence on the history of the United States become fully understood and appreciated by scholars Author Roy Bird takes us inside the circle of Tom and Autie whose close knit relationship and intense rivalry in hunting military skills business and even romance would span from their boyhood farm in Ohio to their heroic end at the Battle of Little Bighorn where they were as always together Bird s The Better Brother is not only the story of two brothers whose incredible talents and healthy rivalry drove each other to greatness but also a story at the center of American history
