Holmes and Watson Lee Eric Shackelford, 2007-03-07 Dr Watson tells us in *The Final Problem* how Sherlock Holmes died and in *The Empty House* how Holmes turned out to be alive after all But Watson skipped over the immediate aftermath of Holmes' return and Watson's reaction to the cruel trick Holmes played on his friend Now at last the true story is revealed I have read *HOLMES WATSON* and it held me riveted from first page to last It dealt with the interrelationship of Holmes and Watson more deeply than Doyle

Lutton,2020-04-13 **Sherlock Holmes and the Time Machine** C. J. Lutton,2020-04-14 Once again the Confidential Files of Dr John Watson provide us with a thrilling Sherlock Holmes adventure If you love Holmes this book will be your cup of tea Sherlock Holmes and his friend Dr John Watson are no strangers to danger but a visitor s claim that they are to be the targets of an assassin is unsettling Moreover the man says he has created a time machine that has whisked him away to the future Astonishing The idea is so outlandish that the great detective considers tossing the man out on the street But there s more The assassin will also shoot Queen Victoria s son the crown prince when he steps off a train to celebrate her Diamond Jubilee Celebration Moreover the stranger can prove his odd assertion He returns with pictorial evidence a moving picture a pad of sequential photos that shows the violent deaths of Holmes and Watson over and over again in grotesque detail With these horrible images seared into their brains the two sleuths must begin a deadly race against the clock And if they lose the price will be more than their lives Their failure might actually cause the empire to fall Clearly it will take every iota of the famous inquiry agent s prodigious mental powers to puzzle out an event that hasn t happened Holmes turns to his brother for help only to learn that Mycroft Holmes might actually be behind this dastardly plot Is it possible that Holmes s own brother is a traitor to the realm Mycroft has all the resources of the British Empire at his disposal while Holmes has only Watson and his merry band of Irregulars street urchins he s trained to work as spies How can Holmes possibly hope to thwart his brother s superior resources He can and he must Sherlock Holmes and Watson must pit themselves against a foe that all men fear Father Time *The One Hundred Per Cent Society* Arthur Hall,2015-04-09 Sherlock Holmes and Doctor Watson take on the case of Mr Avery Quill whose daughter has mysteriously disappeared The investigation has hardly begun when her body is discovered and Mr Quill is himself murdered in the same manner The killer leaves visiting cards emblazoned with the head of the Gorgon at the scenes of his crimes and Holmes connects these to a strange club known as The One Hundred per Cent Society He learns little there except that the members are all outcasts from noble families The following morning a visitor arrives at Baker Street to tell Holmes and Watson that the Society has a sinister purpose and that its leader has identified them as an obstacle to his plans which must be removed Thus begins a battle with a new and merciless adversary whose madness and thirst for revenge threaten to bring about the deaths of an apparently unconnected group of people The Great Detective pits his skills against an enemy whose very appearance is uncertain *Watson's last case* Ian Alfred Charnock,2000 **The Adventures Of Sherlock Holmes - Volume 6 From The Invisible Empire Files** MARTIN.
