The Best-laid Plans Randal O'Toole, 2007 Drawing on 30 years of experience reviewing hundreds of government plans Randal O Toole shows that thanks to government planners American cities are choked with congestion major American housing markets have become unaffordable and the cost of government infrastructure is spiraling out of control The book makes the case for repeal of federal planning laws and closure of government planning offices Every American who worries about the insidious growth of the Nanny State must read this book The Best Laid Plans Thomas Watson, 2024-12-28 In the aftermath of the disastrous Godsend expedition Paul Rost aht MacGregor leaves behind the life he s always known He travels to the Human Republic hoping to help the people there with their ongoing efforts to recover from the Faceless War But what he finds instead is civil war and the rise of a mysterious and powerful entity that threatens friend and foe alike including those he loves most and left behind The Best Laid Plans Cameron Lund, 2021-02-02 High school senior Keely Collins takes on firsts lasts and everything in between in this sweet sex positive rom com for fans of Meg Cabot and Jenny Han It seemed like a good plan at first When the only other virgin in her group of friends loses it at Keely s own eighteenth birthday party she s inspired to take things into her own hands She wants to have that experience too well not exactly like that but with someone she trusts and actually likes so she s going to need to find the guy and fast Problem is she s known all the boys in her small high school forever and it s kinda hard to be into a guy when you watched him eat crayons in kindergarten So she can t believe her luck when she meets a ridiculously hot new guy named Dean Not only does he look like he s fallen out of a classic movie poster but he drives a motorcycle flirts with ease and might actually be into her But Dean s already in college and Keely is convinced he ll drop her if he finds out how inexperienced she is That s when she talks herself into a new plan her lifelong best friend Andrew would never hurt or betray her and he s clearly been with enough girls that he can show her the ropes before she goes all the way with Dean Of course the plan only works if Andrew and Keely stay friends just friends so things are about to get complicated Cameron Lund s delightful debut is a hilarious and heartfelt
