The Billionaire And The Pop Star English Edition:

Made-Up Daphné B., 2021-10-19 SHORTLISTED FOR THE 2023 COLE FOUNDATION PRIZE FOR TRANSLATION A nuanced feminist and deeply personal take on beauty culture and YouTube consumerism in the tradition of Maggie Nelson's *Bluets* As Daphné B. obsessively watches YouTube makeup tutorials and haunts Sephora's website she's increasingly troubled by the ways in which this obsession contradicts her anti-capitalist and intersectional feminist politics In this poetic treatise she rejects the false binaries of traditional beauty standards and delves into the celebrities and influencers from Kylie to Grimes and the poets and philosophers from Anne Boyer to Audre Lorde who have shaped the reflection she sees in the mirror At once confessional and essayistic *Made Up* is a meditation on the makeup that colours that obscures that highlights who we are and who we wish we could be The original French language edition was a cult hit in Quebec Translated by Alex Manley like Daphné a Montreal poet and essayist the book's English language text crackles with life retaining the flair and verve of the original and ensuring that a book on beauty is no less beautiful than its subject matter The most radical book of 2020 talks about makeup Radical in the intransigence with which Daphné B. hunts down the parts of her imagination that capitalism has phagocytized Radical also in its rejection of false binaries the authentic and the fake the futile and the essential through the lens of which such a subject is generally considered With the help of a heady combination of pop cultural criticism and autobiography a poet scrutinizes her contradictions They are also ours Dominic Tardif *Le Devoir* *Made Up* is a delight I read it in one go And when out of necessity I had to put it down it was with regret and with the feeling that I was giving up what could save me from a catastrophe Laurence Fournier *Lettres Qu'elles* gives five stars *Made Up* is a radiant shimmering blend of memoir and cultural criticism that uses beauty culture as an entry point to interrogating the ugly contradictions of late capitalism In short urgent chapters laced with humor and wide ranging references Daphné B. plumbs the depths of a rich topic that's typically dismissed as shallow I imagine her writing it in eye pencil using makeup to tell the story of her life as so many women do Amy Berkowitz author of *Tender Points* A companion through the thicket of late stage capitalism a lucid and poetic mirror for anyone whose image exists on a screen Rachel Kauder Nalebuff *Made Up* is anything but committed to the grit of our current realities Daphné B. directs her piercing eye on capitalism in an intimate portrayal of what it means to love and how to paint ourselves in the process Alex Manley has gifted English audiences with a nuanced translation of a critical feminist text exploring love and make up as a transformative social tool Sruti Islam The book will leave you both laughing in recognition and wincing at the reality of the beauty world's impact on our collective psyche Chatelaine *Made Up* examines the intersection of beauty culture and consumer culture Aided by the work of writers like Anne Carson Anne Boyer Amanda Hess and Arabelle Sicardi B. makes sharp observations about the ideologies behind both beauty and consumerism *Bitch Media* *Made Up: A True Story of Beauty Culture under Late Capitalism* is well worth reading *Literary Review of Canada* *Made Up* newly translated by writer poet Alex Manley from its original French puts an

intersectional feminist lens on the author's personal fascination with the makeup industry it also reckons with the cultural dominance of this fascination as she aims to square anti capitalist principles with beauty product obsession BitchReads 11 Books Feminists Should Read in September **Icons of Style - Taylor Swift** Glenys Johnson,2024-05-23 Global icon Songwriting sensation Fashion phenomenon Welcome to the Taylor verse Through stunning photographs that explore key outfits from her style evolution alongside expert analysis Icons of Style pays homage to the artist whose every outfit tells a tale From country boots to bejewelled body suits explore the wardrobe of the girl next door turned superstar who connects with fans the world over with her ever evolving attire eye catching looks and signature pieces Taylor's relatability integrity and sartorial storytelling mean this fearless fashion queen will never go out of style **Twenty Years** Sune Engel Rasmussen,2024-08-06 Winner of the Overseas Press Club of America's Cornelius Ryan book award One of the Washington Post's 50 Best Nonfiction Books of 2024 An Economist Best Book of the Year An Air Mail editor's pick Rasmussen combines social history with rigorous reporting His ability to delve into his characters lives lends his book the feeling of a novel Trenchant Superlative Martha Anne Toll The Washington Post Devastating Impressive Haunting Suzy Hansen The New York Review of Books An intimate history of the Afghan war and the young Afghans whose dreams it enabled and dashed No country was more deeply affected by 9 11 than Afghanistan an entire generation grew up amid the upheaval that began that day Young Afghans knew the promise of freedom democracy and safety fought with each other over its meaning and then witnessed its collapse In Twenty Years the Wall Street Journal correspondent Sune Engel Rasmussen draws on more than a decade of reporting from the country to tell Afghanistan's story from a new angle Through the eyes of newly empowered women skilled entrepreneurs driven insurgents and abandoned Western allies we see the United States and its partners bring new freedoms and wealth only to preside over the corruption war lordism and social division that led to the Taliban's return to power Rasmussen relates this history via two main characters Zahra who returns from abroad with high hopes for her liberated country where she must fight to escape a brutal marriage and rebuild her life and Omari who joins the Taliban to protect the honor of his village and country and winds up wrestling with doubt and the trauma of war after achieving victory We also meet Parasto who risks her life running clandestine girls schools under the new Taliban regime and Fahim a rags to riches tycoon who is forced to flee With intimate access to these and other characters Rasmussen offers deep insight into a country betrayed by the West and Taliban alike **All I Ever Need Is You: Seattle** Sullivans #5 (Contemporary Romance) Bella Andre,2015-04-08 An absolute must read All I Ever Need Is You might be my favorite Sullivan yet Which is really saying a lot because I've loved every single one I've already read the book twice 5 stars Seattle architect Adam Sullivan is well known for his brilliant historic building restorations and for having absolutely no interest in love and marriage He's happy for his siblings and cousins who have found true love but though they're clearly hellbent on seeing him settled his family is just going to have to accept that Cupid's arrow will be skipping this Sullivan That is until he meets Kerry
