Heaven's Criminal Code Nilton Bonder,2010-11-10 One of the most disturbing ideas known to our human imaginations is that of the Final Judgment the accounting we are called to give at the end of our lives Born in the depths of our consciousness this notion of a final judgment is a consequence of our perception that we have priorities and goals in our lives It is a measurement of just how successful or unsuccessful we have been in the venture of life This book suggests a possible set of ethics for the individual vis vis his or her own selfethics that reflect the obligations life imposes on the living Written in the form of a Criminal Code this book both in structure and terminology mimic legal documents The prime goal is to call attention to the deep psychic fusion between what we believe to be divine expectationsthat is those of the Creatorand the expectations of our consciousness The key postulate of the Biblical text is really this that Creator and creature communicate with each other through consciousness More than that perhaps that Creator and creature blend and merge within consciousness This Constitution and Criminal Code will thus have to account for projections of both God s desires and the desires of our consciousness They are structured in the principles laid out in the Ten Commandments and in the punishments of the Ten Plagues both found in the book of Exodus The Creator s expectations and punishments correspond to similar expectations and punishments within our consciousness Employing collective and personal symbolism and the reading of Carl Jung of the Commandments the book steer away from the morality usually applied when judging instead allowing the souls yearnings and aspirations to guide this evaluation of the quality and propriety of life **Heaven's Ambassador** Kevin Sullivan,2015-12-22 My name is Kevin Sullivan I am the author of a NEW book series entitled Heavens Ambassador It is the most influential thought provoking Christian book series of the 21st Century I wrote this book for anyone who is interested in learning what it takes to become an Ambassador of Heaven In case you didnt know an Ambassador of Heaven is someone who dominates the Father of Lies discerns the deceitfulness of worldly wisdom and actualizes the power of heavenly wisdom In order to adequately address this topic I wrote this book in 4 volumes Volumes 1 and 2 admonishes the recklessness and foolishness of worldly wisdom Volume 3 is a compilation of the main points of Volumes 1 and 2 which exposes the worthlessness of worldly wisdom And Volume 4 reveals secrets to maintaining relationships with your spouse and children that are pleasing to God My books are simple enough for a 5th grader to understand and deep enough for a Ph D student to

embrace Show your family some love and buy a few copies They are the perfect empowerment tools for middle school high school and college bound family members and make excellent birthday graduation and Christmas gifts *A Christian Library* John Wesley,1820 **The Spirit of the Blood** Randine Lewis,2022-08-18 This ground breaking text guides readers in interpreting and evaluating lab results through the lens of Chinese medicine Sharing decades of expert knowledge and experience Randine Lewis bridges the gap and translates Western medicine into Chinese medicine and biomedical results consolidating both in a grounded and clear approach that allows practitioners to remain true to core Oriental principles around the basis of disease and healing Each section highlights pertinent Chinese medical physiology and how pathophysiologic states develop allowing readers to hone their treatment plans It encourages practitioners to ease away from the fear based mindset found in some western medicinal approaches and to focus on the treatment and understanding of subtle imbalances before they are evident in the blood Focus will be on the most common medical conditions that bring patients to clinic and evaluating how popular pharmaceuticals impact Chinese medicine patterns
