The Bosses Club Richard A. Gregory, 2011-02-23 The Johnstown Flood is an iconic tragedy in our nation's history like the Chicago Fire the sinking of the Titanic or the San Francisco earthquake Many books have been written about the devastating 1889 Johnstown Flood but few about the period before or after the flood why did the town develop in such a remote valley and why didn't those who lived below the dangerous dam do something about it My book The Bosses Club answers those questions but more importantly illuminates often overlooked circumstances that contributed to the origin for the catastrophe like the Pennsylvania Canal and Pennsylvania Railroad How their rapid development set the stage and led to the rivalry between Cambria Iron Company and Carnegie to dominate the burgeoning Steel industry **The Bosses Club**

Kathleen E. George, 2014-04-01 Ellen Emerson may be the last living survivor of the Johnstown flood She was only four years old on May 31 1889 when twenty million tons of water decimated her hometown of Johnstown Pennsylvania Thousands perished in what was the worst natural disaster in U S history at the time As we witness in The Johnstown Girls the flood not only changed the course of history but also the individual lives of those who survived it A century later Pittsburgh Post Gazette reporters Ben Bragdon and Nina Collins set out to interview 103 year old Ellen for Ben's feature article on the flood When asked the secret to her longevity Ellen simply attributes it to restlessness As we see that restlessness is fueled by Ellen

s innate belief that her twin sister Mary who went missing in the flood is somehow still alive Her story intrigues Ben but it haunts Nina who is determined to help Ellen find her missing half Novelist Kathleen George masterfully blends a history of the Johnstown flood into her heartrending tale of twin sisters who have never known the truth about that fateful day in 1889 a day that would send their lives hurtling down different paths The Johnstown Girls is a remarkable story of perseverance hard work and never giving up hope in the face of seemingly insurmountable odds It s also a tribute to the determination and indomitable spirit of the people of Johnstown through one hundred years three generations and three different floods

She's the Boss Rochelle Schweizer,2010-09-23 Why Is Nancy Pelosi the Most Dangerous Woman in America Most people see Pelosi exactly the way she wants them to a cultured San Franciscan politician from an esteemed family But underneath the Chanel suit and Mikimoto pearls is a true political boss as in T weed Don t be fooled by her image as a caring grandmotherly public servant Nancy Pelosi is all business She s the Boss charts Pelosi s carefully orchestrated rise to power as a uniquely American ruling class diva who is not so subtly replacing by the people for the people with have your people call my people From her father a congressman and then mayor of Baltimore whose political machine was tainted by scandal Pelosi learned about patronage ruthlessness and the credo of the party boss never admit to anything never apologize and attack when challenged As Speaker of the House Pelosi once pounded her gavel so hard it left a dent in the lectern She frightens even those who agree with her on almost everything She punishes those who stand in her way And her hypocrisy knows no bounds While Pelosi spends millions in taxpayers dollars to green up the capital and expects Americans to pay for their carbon footprints she demands a bigger jet for her trips across the globe as well as military G5s for holiday weekends She claims to act for the benefit of the American people yet enriches her family s portfolio through pet legislation and personal financial dealings She tried to enact taxpayer funding for abortions defying the teachings of the Catholic Church of which she is a member With promises of utopia she drives massive legislation deals through Congress by stiff arm twisting knowing she and her allies will profit at the expense of the electorate It will be clear after reading She s the Boss that the party works for Pelosi

The Woman in the Photo Mary Hogan,2016-06-14 In this compulsively readable historical novel from the author of the critically acclaimed Two Sisters comes the story of two young women one in America s Gilded Age one in scrappy modern day California whose lives are linked by a single tragic afternoon in history 1888 Elizabeth Haberlin of the Pittsburgh Haberlins spends every summer with her family on a beautiful lake in an exclusive club Nestled in the Allegheny Mountains above the working class community of Johnstown Pennsylvania the private retreat is patronized by society s elite Elizabeth summers with Carnegies Mellons and Fricks following the rigid etiquette of her class But Elizabeth is blessed cursed with a mind of her own Case in point her friendship with Eugene Eggar a Johnstown steel mill worker And when Elizabeth discovers that the club s poorly maintained dam is about to burst and send 20 million tons of water careening down the mountain she risks all to warn Eugene and the townspeople in the lake s deadly shadow Present day On her eighteenth

birthday genetic information from Lee Parker's closed adoption is unlocked. She also sees an old photograph of a genetic relative, a 19th Century woman with hair and eyes like hers standing in a pile of rubble from an ecological disaster next to none other than Clara Barton, the founder of the American Red Cross. Determined to identify the woman in the photo and unearth the mystery of that captured moment, Lee digs into history. Her journey takes her from California to Johnstown, Pennsylvania, from her present financial woes to her past of privilege from the daily grind to an epic disaster. Once Lee's heroic DNA is revealed, will she decide to forge a new fate. (3 v.) Hearings held in Detroit and Chicago United States. Congress. House. Ethington challenges the assumptions of several decades of urban history that treat American urban politics as the expression of social group community experience. But there is a guaranteed way to lose constantly, and that is when you don't understand the basic rules of playing and betting. It is appalling how many people, even big money gamblers, lose consistently and don't know why. There are only two types of gamblers: those who really know the game and suckers. Mike Goodman, a veteran professional gambler, gives you an amazing, easy-to-understand insight on how to gamble and win. HORSE RACING: watch those second favorites; let the suckers play the favorites; they're usually overplayed. DICE: you're a sucker if you don't take advantage of the odds, but the real pay-off comes when you know how to bet. SLOTS: there's only one way to beat those one-arm bandits, but unfortunately, it's against the law. ROULETTE: it's tough to beat the house percentage, but there are ways to lose less, keep you in the game, and then who knows? BLACKJACK 21: here's a game you can win at consistently if you learn the tricks and how to put lady luck on your side. POKER: you get real help here; tips that'll open your eyes, make you play a better game, and win. This book gives solid advice on how you can become a tough player and helps tilt the odds more in your direction. I'm just plain sick of experts who promise the moon but peddle virtually worthless advice. Somewhere in their pitch, you're told that they're not multi-millionaires because they are not allowed in gambling casinos, and I challenge any one of them to use this system at craps, 21, or roulette at my casino. If they haven't got the guts to back up their system with hard cash, I challenge them to meet me face-to-face in public to debate any phase of gambling on which they claim to be an authority. Selvin, 1996. In *A Terrible Anger*, David F. Selvin presents a narrative history of the strikes. Unlike other labor historians who have stressed the

importance of radical groups involved in the strikes he addresses the impact on unions owners government and the daily press A witness to the strikes Selvin has written a compelling story of the traumas and triumphs which acted as catalysts for the tumultuous labor battles of the mid 1930s *Steel City* William J. Miller,2022-09-01 *Steel City* is the story of the 1890s golden age of Pittsburgh when its technological innovations and wealth creation made it the Silicon Valley of its day Pittsburgh was first in steel food processing and electricity and the leaders of those industries Carnegie Frick Heinz and Westinghouse are names we still know today Amid this fevered atmosphere Jamie Dalton a recent Yale graduate and son of a corporate lawyer must decide whether to accede to his father s wishes and pursue a career in law or the steel business or follow his own instincts and become a newspaperman The greatest natural disaster of the 19th century the Johnstown Flood confirms his choice to be a journalist and Jamie goes on to cover Pittsburgh s business titans labor strikes and assassination attempts While reporting on the unions of the era he is exposed to a very different world symbolized by his infatuation with a mysterious woman under the sway of an Eastern European anarchist Jamie struggles with balancing the access he has to Pittsburgh s business elite while maintaining the objectivity to tell the hard truths about those same people Ultimately he must thwart a terrorist plot that could disrupt the massive corporate merger that would restructure the nation s largest industry steel **Best Life** ,2006-04 *Best Life* magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life

Century I Fu Jin,2020-03-26 The 20th century was a dynamic period for the theatrical arts in China Booming urban theatres the interaction between commercial practice and theatre dramas staged during the War of Resistance against Japan and a healthy dialogue between Western and Eastern theatres all contributed to the momentousness of this period The four volumes of *A History of Chinese Theatre in the 20th Century* display the developmental trajectories of Chinese theatre over those hundred years This volume deals with the development of Chinese theatre from 1900 to 1949 covering the prosperity of Peking Opera the advent of play and colorful local dramas The author shows that the modernization of Chinese theatre was

subject to both internal factors and influences from the outside world while modernity and localization are two contradictory but complementary dimensions in any interpretation of Chinese theatre in the 20th century Scholars and students in the history of the arts especially the history of Chinese theatre will find this book to be an essential guide

Corbynism Matt Bolton, Frederick Harry Pitts, 2018-09-24 Corbynism as a political movement is now in the ascendancy and conceivably is also on the verge of power This book provides a critical overview of what Corbynism is above and beyond Jeremy Corbyn himself placing it within the context of populist left and right movements that have taken hold across the globe
