The Brass Verdict: Mickey Haller Mystery 2 Michael Connelly, 2009 A bullet speaks louder than words when Lincoln lawyer Mickey Haller and LAPD Detective Harry Bosch team up in the gripping novel by Michael Connelly.

The Lincoln Lawyer Collection Michael Connelly, 2020-06-11 A superb natural storyteller, Lee Child's *The Lincoln Lawyer* has no client as scary as an innocent man. Mickey is a Lincoln Lawyer, a criminal defense attorney operating out of the back of his car, taking whatever cases the system throws at him. He's been a defense lawyer for a long time and he knows just how to work the legal system. When a Beverly Hills rich boy is arrested for brutally beating a woman, Haller gets his first high-paying client in years. The evidence mounts on the defense's side, and Haller might even be in the rare position of defending a client who is actually innocent. But then the case starts to fall apart. And neither the suspect nor the victim are quite who they seem, and Haller quickly discovers that when you swim with the sharks, you might just end up as prey.

The Brass Verdict: Mickey Haller returns, and this time Bosch is on the case too. Defense lawyer Mickey Haller has had some problems, but now he's put all that behind him and is ready to resume his career. Then another lawyer, Vincent, dies, and Haller gets an unexpected windfall: he inherits all of Vincent's clients, putting his stalled career back on track at a stroke. Not only that, but Vincent had taken on a high-profile and potentially lucrative murder case. It'll be a trial that promises big fees and an even bigger place in the media spotlight, and if Mickey can win against the odds, he'll really be back in the big leagues. The only problem is the detective handling the case: a certain Harry Bosch is convinced the killer must be one of Vincent's clients. Suddenly, Mickey is faced with the biggest challenge of his career: how to defend a client successfully who might just be planning to murder him.

The Reversal: Mickey Haller and Harry Bosch together take on a seemingly unwinnable case. When defense lawyer Mickey Haller is invited by the Los Angeles County District Attorney to prosecute a case for him, he knows something strange is going on. Mickey is one of the best American legal brains in the business, and to switch sides like this would be akin to asking a fox to guard the hen house. But the high-profile case of Jason Jessup, a convicted child killer who spent almost 25 years on death row before DNA evidence freed him, is an intriguing one. Eager for the publicity and drawn to the challenge, Mickey takes the case with LAPD Detective Harry Bosch on board as his lead investigator. But as a new trial date is set, it starts to look like he's been set up. Mickey and Harry are going to have to dig deep into the past and find the

1992 Michael Connelly has become one of America's most popular and critically acclaimed crime writers. He is best known as the author of a long running series featuring LAPD homicide detective Harry Bosch, a compelling figure in contemporary crime fiction. He also created several additional series featuring a criminal defense attorney Mickey Haller, known as the Lincoln Lawyer, an FBI profiler Terry McCaleb, a newspaper reporter Jack McEvoy, and an LAPD policewoman Renee Ballard who works the night shift. When he began incorporating all his characters into the Bosch megaseries, he expanded the notion of what a crime series can accomplish. This work takes an in-depth look at all of Connelly's work, including the 34 novels that comprise the Bosch megaseries, the film adaptations of his books, the popular Bosch TV series, and his standalone novels, short stories, and podcasts. It includes chapters on his novelistic artistry and his portraits of Los Angeles and its police department.

The Safe Man Michael Connelly, 2012-10-23 Read the riveting detective story that inspired the Audible dramatization featuring Jack Quaid and Titus Welliver. Like his father before him, Brian Holloway is a safe man. That is his specialty: opening safes. Every job is a little mystery, and he has yet to encounter a lock he can't break or a box he can't crack. But the day Holloway gets called in to open a rare antique safe in a famous author's library, his skills open a door that should have remained closed. In this haunting and singular story, previously published anonymously, Michael Connelly proves once again that he is superb at building suspense: the reader can never be sure what sudden turns the plot may take. *Wall Street Journal* Word count: 11,662
