

TOEFL Writing: Independent Essay (Test 2) – Beginning with an outline

Topic	Do you agree or disagree with the following? It is better to have one or two close friends than to have a large number of casual acquaintances. Use specific reasons and details to support your answer.
Personally, I agree that it is better to have one or two close friends. To begin with, I find I only really have time for a couple of friends. In addition to the time issue, I think you can only truly rely on a limited number of close friends. And beyond available time and reliability, I personally feel that too many casual acquaintances are rather unfulfilling. So, to sum up, I'm more inclined to have just a couple of close friends than a large network of casual acquaintances.
