Morrison as writer of children's books and as speaker for children's education In addition a Teaching Morrison section is designed to help teachers and critics who teach Morrison in undergraduate classes The Bloomsbury Handbook to Toni Morrison is wide ranging provocative and satisfying a fitting tribute to one of the greatest American novelists **Toni Morrison ON Mothers and Motherhood** Lee Baxter,2017-07-01 This collection of essays explores the gamut of Toni Morrison's novels from her earliest to her most recent Each of the essays examines the various ways in which Morrison's work delineates and interrogates Western culture's ideological norms of mothers motherhood and mothering The essays consider Morrison's female and in some cases male characters as challenging the concept that mothering and motherhood is a stable notion The essays reveal both that mothering is a central concept in Morrison's work and that an examination of this pervasive notion illuminates her corpus as a whole Toni Morrison on Mothers and Motherhood offers a wide range of scholarship that provides a compelling look at Morrison's work through an array of interdisciplinary approaches that are grounded in feminist gender studies This interdisciplinary collection of essays will be of interest to scholars and critics concerned with the notions of how we define mother motherhood mothering and the problem of its interpretation within Western society as well as those engaged in the interpretation of African American literature and Morrison's work in particular ***The Critical Life of Toni Morrison*** Susan Neal Mayberry,2021 The first book to trace the critical reception of the great African American woman writer attending not only to her fiction but to her nonfiction and critical writings **An Analysis of Toni Morrison's Playing in the Dark** Karina Jakubowicz,Adam Perchard,2017-07-05 Toni Morrison's Playing in the Dark Whiteness and the Literary Imagination is a seminal piece of literary criticism and a masterclass in the critical thinking skill of interpretation Interpretation plays a vital role in critical thinking it focuses on interrogating accepted meanings and laying down clear definitions on which a strong argument can be built Both history and literary history in the US have frequently revolved around understanding how Americans define themselves and each other and Morrison's work seeks to investigate question and redefine one of the central concepts in American history and American literary history color Morrison turned to the classics of American literature to ask how authors had chosen to define the terms black and white Instead of accepting traditional interpretations of these works Morrison examined the way in which whiteness defines itself through blackness and vice versa Black bondage and the myths of black inferiority and savagery she showed allowed white America to indulge its own defining myths viewing itself as free civilized and innocent A classic of subtle and incisive interpretation Playing in the Dark shows just how crucial and how complex simple looking definitions can be **Significant Food** Jeff Birkenstein,Robert C. Hauhart,2024-07 Significant Food is a collaborative work of textual analysis and criticism that chews on the role and prominence of food in American literature The volume offers close readings of many well known and some less well known examples of American writing as studied through the food culture sensibilities of a well stocked cupboard of contributors who offer their analyses for public consumption Editors Jeff Birkenstein and Robert C Hauhart find

that literary criticism has focused on the role food plays in literary production to a greater extent than recognized at first glance and that its role has become increasingly common only in the last two decades Still while there is critical commentary regarding authors use of food across the expanse of American literature there has been a lack of a unifying critical theory to guide these analyses Birkenstein and Hauhart offer the theory of significant food a method that asks literary critics to evaluate and assess the extent nature and role that food plays in literary production When food and food moments are used intensively and significantly within the drama memoir poem novel short story or other writing then one can say that it has achieved a status that makes it indispensable to the work at hand
