racial politics the historic role of legal institutions in policing racial boundaries and the real and imagined pleasures that have attended interracial intimacy A bracing much needed look at the way we have lived in the past *Interracial Intimacies* is also a hopeful book offering a potent vision of our future as a multiracial democracy *Porn Studies* Linda Williams, 2004 In her pioneering book *Hard Core* Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as *The Starr Report* the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoon Maria St John Tom Waugh Linda Williams **Global Safari** Zekeh Gbotokuma, 2015-10-05 *Global Safari* is a memoir travelogue offering an account of the author's intercontinental travel experiences from his local village to the more global village from Africa to Europe the Americas and Asia This book is a story about courage international friendship hope survival procrastinated return and homecoming to the Democratic Republic of the Congo The book shows the process of achieving international competency and cosmocitizenship or global citizenship through a world ready education working networking and immersion into world cultures and languages Its distinguishing *Black Women in Interracial Relationships* Kellina Craig-Henderson, 2011-12-31 According to the most recent U S census twice as many black men are involved in interracial relationships as black women Do black women consciously resist such involvement What motivates the relatively few women who are in these types of relationships And how do they navigate the unfamiliar terrain in intimacy One of the most popular explanations for black women's involvement in interracial intimacy is the unavailability of eligible black men This explanation focuses on the dismal statistics popularly discussed in reports that forecast lonely futures for African

American females Craig Henderson explores another more provocative explanation She argues that some black women may disassociate from larger social stereotypes by consciously and strategically making choices that distance them from what is considered characteristic of the typical African American woman Scant serious attention has focused upon intimate interracial relationships perhaps because of a general reluctance to deal with two extremely provocative issues race and sex As rates of interracial relationships continue to increase discussions about interracial intimacy are relevant and timely Craig Henderson considers the continuing taboo of interracial relationships involving African Americans the way this taboo is changing and the way that contemporary race relations perpetuate longstanding stereotypes about race and sex The book includes in depth unstructured interviews with a wide range of black women currently involved in interracial intimate relationships Each individual discusses their relationships with family members beliefs about the influence of race in America unique problems associated with interracial intimacy as well as sexual attraction racial identity and children Of particular interest to specialists in race gender family and sexual issues this work is also accessible and appealing to general readers

Bibler,2009-02-10 Finally breaking through heterosexual clich s of flirtatious belles and cavaliers sinister black rapists and lusty Jezebels Cotton s Queer Relations exposes the queer dynamics embedded in myths of the southern plantation Focusing on works by Ernest J Gaines William Faulkner Tennessee Williams Lillian Hellman Katherine Anne Porter Margaret Walker William Styron and Arna Bontemps Michael P Bibler shows how each one uses figures of same sex intimacy to suggest a more progressive alternative to the pervasive inequalities tied historically and symbolically to the South s most iconic institution Bibler looks specifically at relationships between white men of the planter class between plantation mistresses and

black maids and between black men arguing that while the texts portray the plantation as a rigid hierarchy of differences these queer relations privilege a notion of sexual sameness that joins the individuals as equals in a system where equality is rare indeed Bibler reveals how these models of queer egalitarianism attempt to reconcile the plantation's regional legacies with national debates about equality and democracy particularly during the eras of the New Deal World War II and the civil rights movement Cotton's *Queer Relations* charts bold new territory in southern studies and queer studies alike bringing together history and cultural theory to offer innovative readings of classic southern texts A book in the American Literatures Initiative ALI a collaborative publishing project supported by The Andrew W Mellon Foundation For more information please visit www.americanliteratures.org
