Hezbollah Hadi Wahab, 2022-06-19 This book examines Hezbollah s transition from a domestic into a

regional armed non state actor ANSA Taking its point of departure in Hezbollah s historiography on the military and political levels in Lebanon it focuses on the participation of Hezbollah s troops in Syria s sect coded civil war Initially limited Hezbollah s intervention in the Syrian conflict gradually increased into a full scale engagement across vast swathes of Syrian territory with Hezbollah instrumentalizing its sectarian Shi a identity to justify its engagement Sect centric narratives and victimhood were a mere tool for what was a geopolitical confrontation and Hezbollah s involvement launched it to becoming a regional ANSA The book outlines that this transition was only plausible because of the interplay between three factors Hezbollah s sectarian mobilization and instrumentalization of its sectarian identity the shift into a quasi army combining classical with guerrilla tactics and formations and its embedding as a partner in the axis which now extends from Beirut to Tehran It was in 2018 that a set of conditions impossible to reproduce allowed Hezbollah to reach its culmination on both the domestic and regional theatres This book shows that ANSAs are playing prominent roles in the regional order in the Middle East Meticulously researched Hezbollah is a comprehensive study ideal for upper level undergraduates and above with an interest in Middle East studies Middle East politics and international relations Billboard ,1960-05-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The American Book Collector** ,1956
