Television Wikipedia contributors, **All-American TV Crime Drama** Sujata Moorti, Lisa Cuklanz, 2016-12-18 Law and Order Special Victims Unit SVU is more popular than any other American police procedural television series but how does its unique focus on sex crimes reflect contemporary popular culture and feminist critique whilst also recasting the classic crime narrative All American TV Crime Drama is the first dedicated study of SVU and its treatment of sexual violence gender and criminality The book uses detailed textual and visual analyses of episodes to illuminate the assumptions underpinning the programme Although SVU engages with issues pertaining to feminism and gender it still relies upon traditional and misogynistic tropes such as false rape charges and the monstrous mother to undermine positive views of the feminine The show and its backdrop New York City thus become a stage on which national concerns about women gender roles the family and race are carried out Moorti and Cuklanz unpack how the show has become a crucible for examining current attitudes towards these issues and include an analysis of its reception by its many fans in over 30 countries *Law & Order: Special Victims Unit Unofficial Companion* Susan Green, Randee Dawn, 2009-09-01 The Law Order Special Victims Unit Unofficial Companion is a comprehensive guide covering the first 10 seasons and includes a synopsis and an objective analysis for each episode as well as commentaries or recollections from the people involved in crafting the one hour tale It goes after the heart of SVU through interviews with actors writers producers casting agents location scouts and others The authors peek behind the scenes of the bicoastal operation observing the progress of an entire episode shot in New York City and a script fine tuned in

Los Angeles The book provides fascinating insight delighting SVU devotees who love on screen and backstage trivia In addition creator Dick Wolf offers readers a gripping foreword to the book *Detecting the South in Fiction, Film, and Television* Deborah E. Barker, Theresa Starkey, 2019-10-23 Detecting the South in Fiction Film the role of land as a source of income an ecologically threatened space or a place of seclusion and the continued presence of the southern gothic in recurring elements such as dilapidated plantation houses swamps family secrets and the occult Twenty two critical essays probe how southern detective narratives intersect with popular genre forms such as neo noir hard boiled fiction the dark thriller suburban noir amateur sleuths journalist detectives and television police procedurals Alongside essays by scholars Detecting the South in Fiction Film and Television presents pieces by authors of detective and crime fiction including Megan Abbott and Ace Atkins who address the extent to which the South and its artistic traditions influenced their own works By considering the diversity of authors and characters associated with the genre this accessible collection provides an overdue examination of the historical political and aesthetic contexts out of which the southern detective narrative emerged and continues to evolve *Focus On: 100 Most Popular Tony Award Winners* Wikipedia contributors, *A Transnational Study of Law and Justice on TV* Peter Robson, Jennifer L Schulz, 2016-11-17 This collection examines law and justice on television in different countries around the world It provides a benchmark for further study of the nature and extent of television coverage of justice in fictional reality and documentary forms It does this by drawing on empirical work from a range of scholars in different jurisdictions Each chapter looks at the raw data of how much justice material viewers were able to access in the multi channel world of 2014 looking at three phases apprehension police adjudication lawyers and disposition prison punishment All of the authors indicate how television developed in their countries Some have extensive public service channels mixed with private media channels Financing ranges from advertising to programme sponsorship to licensing arrangements A few countries have mixtures of these Each author also examines how TV justice has developed in their own particular jurisdiction Readers will find interesting variations and thought provoking similarities There are a lot of television shows focussed on legal themes that are imported around the world The authors analyse these as well This book is a must read for anyone interested in law popular culture TV or justice and provides an important addition to the literature due to its grounding in empirical data *The B Word* Maria San Filippo, 2013-04-12 Often disguised in public discourse by terms like gay homoerotic homosocial or queer bisexuality is strangely absent from queer studies and virtually untreated in film and media criticism Maria San Filippo aims to explore the central role bisexuality plays in contemporary screen culture establishing its importance in representation marketing and spectatorship By examining a variety of media genres including art cinema sexploitation cinema and vampire films bromances and series television San Filippo discovers missed moments where bisexual readings of these texts reveal a more malleable notion of subjectivity and eroticism San Filippo s work moves beyond the subject of heteronormativity and responds to compulsory monosexuality where it s not necessarily a couple s

gender that is at issue but rather that an individual chooses one or the other The B Word transcends dominant relational formation gay straight or otherwise and brings a discursive voice to the field of queer and film studies **Virtual**

Pedophilia Gillian Harkins,2020-04-10 In Virtual Pedophilia Gillian Harkins traces how by the end of the twentieth century the pedophile as a social outcast evolved into its contemporary appearance as a virtually normal white male The pedophile s alleged racial and gender normativity was treated as an exception to dominant racialized modes of criminal or diagnostic profiling The pedophile was instead profiled as a virtual figure a potential threat made visible only when information was transformed into predictive image The virtual pedophile was everywhere and nowhere slipping through day to day life undetected until people learned how to arm themselves with the right combination of visually predictive information Drawing on television movies and documentaries such as Law and Order SVU To Catch a Predator Mystic River and Capturing the Friedmans Harkins shows how diverse U S audiences have been conscripted and trained to be lay detectives who should always be on the lookout for the pedophile as virtual predator In this way the perceived threat of the pedophile legitimated increased surveillance and ramped up legal strictures that expanded the security apparatus of the carceral state **Mental Floss: The Curious Viewer** Jennifer M. Wood,Mental Floss,2021-10-19 From Mental Floss the premier online destination for curious minds comes a deep dive into the greatest television shows from the last 20 years Filled with little known facts and lists of must see shows this fascinating collection includes The hardest role to cast on Game of Thrones The DEA s involvement in Breaking Bad The lost Black ish episode deemed too divisive for TV The real life inspiration for Mad Men s Don Draper The identity of Ugly Naked Guy on Friends When George Lucas sued Battlestar Galactica How Curb Your Enthusiasm saved a man from the death penalty When Doctor Who s TARDIS went to court The story behind Law Order s iconic dun dun sound effect Mental Floss The Curious Viewer also contains many of Mental Floss s famously fascinating lists such as Actors Who Asked for Their Characters to Be Killed Off The Most Watched TV Series Finales Ever TV Characters Who Were Inspired by Real People Bizarre TV Crossovers Amazing One Season Shows Important Moments in LGBTQ History on TV and Unforgettable Television Cliff Hangers **Broadcasting & Cable** ,2008-05 **Focus On: 100 Most Popular Actresses from New York City** Wikipedia contributors, **Focus On: 100 Most Popular American Tenors** Wikipedia contributors, *Focus On: 100 Most Popular American Male Musical Theatre Actors* Wikipedia contributors,
