August and September of 1965 Srila Prabhupada traveled alone aboard a steamship from India to New York City with no more than the equivalent of eight dollars in his pocket and no institutional backing but with unshakable faith in Lord Krishna and the instructions of his spiritual master. It is the 1960s, an era in which the children of those who fought World War II were leading a sweeping revolt against a society losing its soul to godless mass consumerism. Into this milieu Srila Prabhupada brought a vision for a new kind of society, a society born of a radical transformation of human consciousness from materialism to the loftiest spiritual and ethical idealism. By 1967 he had arrived in San Francisco's Haight Ashbury district, America's counter culture capital, where he continued his work of calling America's youth to live up to their higher spiritual ideals and distributing the holy name of Krishna indiscriminately. By the end of the volume we have seen Srila Prabhupada in England meeting the Beatles, Holland, Japan, Africa, and finally back in India where he triumphantly returned with his dancing white elephants, a group of his mostly Caucasian Western followers. The research team assembled by the author traveled throughout the world to gather thousands of hours of interviews with hundreds of people who knew Srila Prabhupada, diaries and memoirs from his students, and more than seven thousand of Srila Prabhupada's letters. Then the author and his team distilled this voluminous firsthand source material into a rich composite view of Srila Prabhupada, a dazzling and colorful picture of one of the most remarkable lives of our times.

My Reminiscences of Guru Dev, Swami Brahmananda Saraswati Jugal Kishor Shrivastava, 2025-02-05 A Guide to Spiritual Life Swami Brahmananda, 1988 **The Eternal Companion** Swami Prabhavananda, 1971 **The Eternal Companion** Swami Yatiswarananda, Swami Prabhavananda, 1993 The Eternal Companion Swami Prabhavananda, 1970 **Eternal companion** Swami Yatiswarananda, Swami Prabhavananda, 1978-01-01 *Srila Prabhupada and His Disciples in Germany* Bhakti Gauravani Goswami, 2017-07-08

Whenever Srila Prabhupada toured his ISKCON temples around the world, he inspired his followers by his spiritual presence, spotless character, and uncompromising devotion to Krishna. This is an adventure story about establishing the Hare Krishna movement in Germany. Prabhupada went to Germany only twice, in September 1969 where he encouraged his small band in an intimate, almost informal setting, and later in June 1974 when more than a hundred disciples greeted him. The book includes vignettes by Srila Prabhupada's early disciples in Germany, unforgettable moments of personal service to their spiritual master, how they came to Krishna consciousness, their struggles to establish the movement, and grow as devotees, their attempts to deal with becoming accepted by the German people despite mistakes. Readers will appreciate the honesty of this account and will also accompany the German devotees to Paris, Amsterdam, London, Stockholm, Mayapur, and Vrindavana to glimpse their incredible dedication to and love for serving Srila Prabhupada. **Thank You, Master Hare Krishna** Ghosh, 2021.
