Honey in the Rock Cathryn Cade,2017-06 Her real world can be wilder than her fantasies if she dares He's a hot dangerous biker who goes through women like whiskey She's a shy BBW gamer who crushes on him from afar But when a threat on her life throws them together for a wild weekend they go up in flames Now she can't keep her distance until he pushes her away Can't get water from a rock but can this BBW beauty spin honey from a rolling stone Don't miss this dark sexy ride through danger as another man of the Devil's Flyers MC learns that love's sweetness is worth the sting **Sweet Seduction** Don Draco, A great curiosity is awakened and the need to immerse himself in her sweet sexy sensuality becomes a raging desire to experience her fully completely deeply Only two people showed up at the office during the snowstorm a curvy BBW who doesn't see herself that way and a man who can only see her that way Things heat up between the two as things go from harmless flirtation to unstoppable desire Excerpt At least the pants were nice and tight just like I imagined her ass to be as I watched her walk to the coffee machine and then she turned to me with a look What I make terrible coffee I did you a favor I said You did me a favor by doing nothing Makes sense doesn't it Typical man want me to wait on you hand and foot Rosa teased Well if you're offering I smirked joking yet serious Cream and sugar please You give me the cream I'll give you the sugar she said suggestively I tried to think of baseball or something anything besides how I wanted so badly to give Rosa my cream and how she could give me her sugar anytime I was glad to be sitting at a desk My cock was as hard as a baseball bat though not quite as long or thick thankfully No response to that I'm up for it if you are Literally Rosa giggled and I think she blushed but she tried to hide it She brought me a hot steaming cup of coffee and set it down in front of me I got a

good look at her cleavage and tried not to make it obvious that I was staring at her soft flesh pouring out of her low cut shirt Here ya go darlin said Rosa in her best southern diner waitress accent Thank you Beautiful I smiled What time do you get off Well that s an awfully personal question she said before whispering But usually every night before bed We laughed and then I realized that she was actually flirting back at me Rosa seemed to realize it too and then we both composed ourselves as best we could It was too quiet and the awkwardness hung in the air and grew by the second It had all seemed like harmless teasing that neither of us expected to go anywhere but now it seemed like it was more serious Like we were stating our desires instead of just teasing one another Mind if I play some music Just keep the twerking to a bare minimum I said Have you seen my ass there is no minimum about it said Rosa That s why I like it so much I blurted Yeah I bet you do Sir Mix A Lot said Rosa breaking the tension as her cheeks flushed a bit when she saw my embarrassment When she realized that me telling her I liked her big ass wasn t just another fat joke When she realized that not everyone saw her the way she saw herself That maybe someone could love and appreciate her body even with all the flaws she saw in the mirror that made her hate herself I believe it was George Washington who said that first and then Sir Mix A Lot made the song I said George Washington liked big butts And he couldn t tell a lie I said I never learned that part in my history classes said Rosa Yeah they always leave out the part about him liking big butts guess they didn t want the first president to look like an uncouth pervert or something Guess what song is stuck in my head now jerk said Rosa Is it Back Door Man by The Doors Nope Is it Fat Bottom Girls by Queen Nope Is it Now I was racking my brain for more songs about butts I was saved by the phone ringing Ugh turns out I d have to do some work while I was at work
