499 7 I played with the thought of dedicating this book TO ALL WHO KNOW LESS THEOLOGY THAN I It would have
sounded flippanant But it would have been exact There are thousands who know more theology than I and for them I have no
message they must teach me But there are thousands who know less and less is not enough I must try to teach them This
book contains theology not the great mass of it that theologians need but the indispensable minimum that every man needs in
order that he may be living mentally in the REAL WORLD which is what the word SANITY means in my title Sanity remember
does not mean living in the same world as everyone else it means living in the real world But some of the most important
elements in the real world can be known only by the revelation of God which it is theology's business to study Lacking this
knowledge the mind must live a half blind life trying to cope with a reality most of which it does not know is there This is a
wretched state for an immortal spirit and pretty certain to lead to disaster There is a good deal of disaster around at this
moment PUBLISHER CATHOLIC WAY PUBLISHING **Theology & Sanity** Frank J. Sheed, 1978-11-01 Frank Sheed has
revised and updated his masterpiece Theology and Sanity in its new form retains all the fire and clarity of the original is still
profoundly committed to and itself a fine example of the rationality of Christian faith but now takes full account of the many
