Swift As Desire:

Swift as Desire Laura Esquivel, 2002-08-27 As the millions of fans of *Like Water for Chocolate* know Laura Esquivel is a romanticist whose novels explore the power of love and the truths of the human heart She returns to those themes in *Swift as Desire* the story of a loving and passionate man who has the gift of bringing happiness to everyone except his own wife The hero of this novel is J bilo Chi a telegraph operator who is born with the ability to hear people's true feelings and respond to their most intimate unspoken desires His life changes forever the day he falls deeply and irrevocably in love with Lucha the beautiful daughter of a wealthy family She believes money is necessary to insure happiness while for J bilo who is poor love and desire are more important than possessions But their passion for each other enables them to build a happy life together until their idyll is shattered by a terrible event that drives them bitterly apart Only years later as J bilo lies dying is his daughter able to unravel the mystery behind her parents long estrangement and bring about a surprising reconciliation

Swift as Desire Laura Esquivel, 2001 *Swift's Poetic Worlds* Louise K. Barnett, 1981 The author shows how Swift's poetry reveals a structural unity when it is examined as a coherent whole The structure that emerges is a dynamic relationship between the effort to order the poem's principle of unity and an opposing principle of expansion **Empire of the Senses** David Howes, 2021-08-05 With groundbreaking contributions by Marshall McLuhan Oliver Sacks Italo Calvino and Alain Corbin among others *Empire of the Senses* overturns linguistic and textual models of interpretation and places sensory experience at the forefront of cultural analysis The senses are gateways of knowledge instruments of power sources of pleasure and pain and they are subject to dramatically different constructions in different societies and periods *Empire of the Senses* charts the new terrains opened up by the sensual revolution in scholarship as it takes the reader into the sensory worlds of the medieval witch and the postmodern mall a Japanese tea ceremony and a Boston shelter for the homeless This compelling revisioning of history and cultural studies sparkles with wit and insight and is destined to become a landmark in the field *The Works* Alexander Pope, 1871 *The Works of Alexander Pope, Esq* Alexander Pope, 1824 **Reports of Cases Argued and Determined in the Ecclesiastical Courts at Doctors' Commons, and in the High Court of Delegates** John Haggard, 1829 *The Works of Alexander Pope* esq., with Notes and Illustrations by Himself and Others Alexander Pope, 1824 **Lectures on rhetoric and belles lettres ... fully human how do these things dwell wholly in emptiness how do we reconcile their vivid life with no thingness The red or vermilion thread originally connoted the color of the silk undergarments courtesans were obliged to wear Most spiritual traditions do their best to distance themselves as thoroughly as possible from such direct and intimate contact with the fact of impassioned human bodily being if not to declare open war upon the flesh and the female body that most plainly bears flesh into the world Spirituality has trouble dealing with the fact that we arrive here covered in blood But the red thread can never be cut Why not Why would no perfectly accomplished saint ever even dream of cutting it Red Thread Zen will set out to explore every corner of the magnificent koan of being still attached to the red thread or line of tears This is an argument against the bloodless and socially disengaged form of Buddhism that is generally being gestated in the West one that shades too readily into the blandest of bland self help Lectures on Rhetoric and Belles Lettres Hugh Blair,1839 Lectures on Rhetoric and Belles Lettres ... philosophical tradition and of these thinkers in particular The Anatomy of Disgust William Ian MILLER, William Ian Miller, 2009-06-30 William Miller embarks on an alluring journey into the world of disgust showing how it brings order and meaning to our lives even as it horrifies and revolts us Our notion of the self intimately dependent as it is on our response to the excretions and secretions of our bodies depends on it Cultural identities have frequent recourse to its boundary policing powers Love depends on overcoming it while the pleasure of sex comes in large measure from the titillating violation of disgust prohibitions Imagine aesthetics without disgust for tastelessness and vulgarity imagine morality without disgust for evil hypocrisy stupidity and cruelty Miller details our anxious relation to basic life processes eating excreting fornicating decaying and dying But disgust pushes beyond the flesh to vivify the larger social order with the idiom it commandeers from the sights smells tastes feels and sounds of fleshly physicality Disgust and contempt Miller argues play crucial political roles in creating and maintaining social hierarchy Democracy depends less on respect for persons than on an equal distribution of contempt Disgust however signals dangerous division The high s belief that the low actually smell bad or are sources of pollution seriously threatens democracy Miller argues that disgust is deeply grounded in our ambivalence to life it distresses us that the fair is so fragile so easily reduced to foulness and that the foul may seem more than passing fair in certain slants of light When we are disgusted we are attempting to set bounds to keep chaos at bay Of course we fail But as Miller points out our failure is hardly an occasion for despair for disgust also helps to animate the world and to make it a dangerous magical and exciting place **A History of English Poetry** William John Courthope, 1905
