,2020-11-16 This edited volume focuses on gender and love as emerging through complex entanglements and weavings At a time when constructionist ideas are losing support we interrogate theoretical paradigms to assess if constructionist notions still hold value or if new approaches are needed to address the effects of materiality and non human agency Without claiming any unison or definite answers we offer situated agential cuts into gender and love in various discursive material phenomena including Biblical and Rabbinic literature ecosexual performance art the writings of Ursula Le Guin and Angela Carter butch identities Bengali folktales Ferzan zpetek s cinema Golem literature sexual pursuits in Danish nightlife mother daughter relationships women warriors in the PKK and BDSM performances Artistic photographer Sara Davidmann has contributed to the book with the cover illustration and a creative afterword including seven photographs on the interaction between the photographer her studio and LGBTQ people

Gender Hurts Sheila Jeffreys,2014-04-24 It is only recently that transgenderism has been accepted as a disorder for which treatment is available In the 1990s a political movement of transgender activism coalesced to campaign for transgender rights Considerable social political and legal changes are occurring in response and there is increasing acceptance by governments and many other organisations and actors of the legitimacy of these rights This provocative and controversial book explores the consequences of these changes and offers a feminist perspective on the ideology and practice of transgenderism which the author sees as harmful It explores the effects of transgenderism on the lesbian and gay community the partners of people who transgender children who are identified as transgender and the people who transgender themselves and argues that these are negative In doing so the book contends that the phenomenon is based upon sex stereotyping referred to as gender a conservative ideology that forms the foundation for women s subordination Gender Hurts argues for the abolition of gender which would remove the rationale for transgenderism This book will be of interest to scholars and students of political science feminism and feminist theory and

gender studies Maxx Pleasure Maxx Harper,2025-02-28 The Maxx Harper Erotica Collection Dedicated to Your Pleasure A little bit of everything here for the kink lover including LGBTQ orgies BDSM gender swap sissies and more *Conflicted* Jurgen von Stuka,2021-01-01 Thousands of men disappear every day They walk out of their office or their home and vaporize into thin air Some end up in the morgue or worse they end up in the hands of female slavers who will turn them into personal sex bondage or sissy slaves The men in this tale are taken by slavers using the most worn and tried gimmick on the planet they got involved with a gorgeous woman and easily fell into her trap Warning If the idea of living a totally changed life of a heterosexual male converted to a fully equipped female slave bothers you don t even think about reading this story It will not make you feel good But as the story goes there are things that we know exist in this world that no one wants to talk about This is one of them **Changing the Subject** Mary McClintock Fulkerson,2001-01-25 The author shows the many ways in which women s scriptural performances are liberating Shifting decisively from women s experience to discursive practices she offers three sample readings of emancipatory discourses from diverse social locations that better display the variety of ways in which women are oppressed and resistant Bound by BDSM Alicia M. Walker,Arielle Kuperberg,2025-08-07 Why are BDSM practitioners so happy It turns out BDSM isn t just about whips and chains With engaging stories and a warm conversational tone Bound by BDSM Unexpected Lessons for Building a Happier Life reveals how BDSM practitioners use clear boundaries enthusiastic consent open dialogue and a strong community to create fulfilling relationships and build richer more intentional lives Drawing on research from the largest scientific study of BDSM ever conducted Alicia Walker and Arielle Kuperberg demonstrate that the BDSM community s approach to trust and vulnerability offers a valuable model for building intimacy and fostering authentic connections BDSM also allows practitioners to exercise their creativity and break the mold whether it comes to trying out new practices in the bedroom or bending ideas about gender Whether you re vanilla kinky or just here for the life advice this book packed with humor and insight is a refreshingly open minded guide to building stronger relationships deeper intimacy and a more intentional approach to connection *Metamorphoses* Turid Karlsen Seim,Jorunn Økland,2009 How were ideas and experiences of transformation expressed in early Christianity and early Judaism This volume explores the social and philosophical frameworks within which transformative ideas such as resurrection and practices of becoming a new being were shaped It also explores the analogies and parameters by which transformation was being observed noted and asserted The focus on transformation helps to connect topics that tend to be studied separately such as cosmology resurrection aging gender and conversion The textual material is wide ranging and there are new readings of core passages Ideas and experiences of transformations in early Christianity and early Judaism Connects topics that tend to be studied seperately cosmology resurrection aging gender conversion With wide ranging textual material **Dominatrix** Danielle J. Lindemann,2022-12-22 Our lives are full of small tensions our closest relationships full of struggle between woman and man artist and customer purist and commercialist professional and client

and between the dominant and the submissive In Dominatrix Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals their work and their clients Prior research on sex work has focused primarily on prostitutes and most studies of BDSM absorb pro domme client relationships without exploring what makes them unique Lindemann satisfies our curiosity about these paid encounters shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry Upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work Lindemann makes a major contribution to cultural studies anthropology and queer studies with her analysis of how gender power sexuality and hierarchy shape all of our social experiences

Sadomasochism and the BDSM Community in the United States Stephen K. Stein, 2021-02-16 *Sadomasochism and the BDSM Community in the United States* Kinky People Unite chronicles the development of sadomasochistic sexuality and its communities in the United States from the post war period to the present day Having evolved from scattered networks of sadomasochists to a coherent body bound by shared principles of safe sane consensual activists worked to transform popular perceptions of their community end its routine harassment by law enforcement and win inclusion in American society Often paralleling the work of LGBTQ activists people who engaged in BDSM Bondage and Discipline Dominance and Submission and Sadism and Masochism transformed both their own sexual practices and how outsiders perceived them successfully changing popular perceptions of them from fascists murderers and outlaws to people living an alternative lifestyle The development of this community highlights the interactions of people of different sexual orientations within a sexual community the influence of various campaigns for sexual freedom and the BDSM community s influence on popular perceptions of sexuality and sexual freedom The text s historical perspective gives depth and texture to a specific dimension of American history of sexuality This book will be of interest to students and scholars in the history of sexuality Its clear and direct approach offers an important and useful chronology of a movement that has long been neglected

The Political Ecology of Climate Change Adaptation Marcus Taylor, 2014-11-17 This book provides the first systematic critique of the concept of climate change adaptation within the field of international development Drawing on a reworked political ecology framework it argues that climate is not something out there that we adapt to Instead it is part of the social and biophysical forces through which our lived environments are actively yet unevenly produced From this original foundation the book challenges us to rethink the concepts of climate change vulnerability resilience and adaptive capacity in transformed ways With case studies drawn from Pakistan India and Mongolia it demonstrates concretely how climatic change emerges as a dynamic force in the ongoing transformation of contested rural landscapes In crafting this synthesis the book recalibrates the frameworks we use to envisage climatic change in the context of contemporary debates over development livelihoods and poverty With its unique theoretical contribution and case study material this book will appeal to researchers

and students in environmental studies sociology geography politics and development studies
