Sydney Morning Herald Good Food Guide 2007:

The Food and Drink of Sydney Heather Hunwick, 2018-03-22 Sydney famed for its setting and natural beauty has fascinated from the day it was conceived as an end of the world repository for British felons to its current status as one of the world's most appealing cities. This book recounts and celebrates the central role food has played in shaping the city's development from the time of first human settlement to the sophisticated open and cosmopolitan metropolis it is today. The reader will learn of the Sydney region's unique natural resources and come to appreciate how these shaped food habits through its pre history and early European settlement how its subsequent waves of immigrants enriched its food scene its love hate relationship with alcohol its markets restaurants and other eateries and how Sydneysiders old and new eat at home. The story concludes with a fascinating review of the city's many significant cookbooks and their origins and some iconic recipes relied upon through what is for a global city a remarkably brief history.

Icebergs Dining Room and Bar 2002-2022 Maurice Terzini, 2022-11-30 Celebrating 20 years of Icebergs Dining Room and Bar the food cocktails music art and personalities that have celebrated one of Sydney's most iconic restaurants. Icebergs Dining Room and Bar is an icon standing sentinel over Bondi Beach and the powerful Pacific Ocean. Despite the beauty the path from concept to restaurant was not always straightforward. What Maurice Terzini was asking people to see wasn't there and he wanted to keep it that way. The ocean was to be the hero the rest in essence was to remain invisible. A place where conversations dominate the food where art music and beauty all share a place at that table. Of course the food and drink have to be world class as do the design and service. To be on par with that ocean you need to be irreproachable. It's been challenging but it's also been the greatest of honours. This book tells the story of the past 20 years of that custodianship. There are tales of people personalities and the influences that shaped the idea a collection of our best known recipes from two decades of head chefs cocktails from our award winning bar and playlists from summers gone by. See the restaurant through the eyes of acclaimed architect Carl Pickering peer into the minds of six of Australia's best chefs from Karen Martini to Monty Koludrovic read about why a great wine list is about so much more than the wine and then take a little taste of the indefinable magic Maurice's treatise on his signature rules of hospitality. There is so much that goes into making a restaurant disappear much of it enclosed within these pages.
