brought together by their histories But Day wondered how it would be like if the past of two people very attracted to each other push them apart What if their trauma inhibits them from connecting with the person they are in love with Can an abuse survivor be able to have a functional and healthy romantic relationship with another abuse survivor Day wanted to explore that This premise the desire to answer these questions at least in the context of a story resulted in the plotline that will encompass the three books in the Crossfire series Don't miss out It's highly recommended if you're a real literature junkie or a diehard fan of the novel I am both it's really a must read Highly recommended ForTheQuinn Austin TX US Disclaimer This work is not meant to replace but to complement the original work If you've loved the novel then this is the book for you It is educational in purpose entertaining in nature unauthorized and unofficial It is a digressive work produced to stimulate the appetite and to encourage readers to appreciate the original work even more
