Growing up Sylvia'S Brenda Woods, Van D. Woods, 2018-03-22 From the small community of Hemingway South Carolina to the streets of New York City *Growing Up Sylvias* offers a biography of Sylvia Woods the Queen of Soul Food and her husband Herbert Woods Written by Sylvias daughter in law and son Brenda and Van D Woods it explores and relates to a journey of success and happiness of an American family Aimed at young readers it tells how Sylvia and Herbert hailed from a humble background in the South and became the owners of a multimillion dollar enterprise in the North It also includes assignments reading activities and quizzes for use in the classroom *Growing Up Sylvias* shares the story of a family who represents what can be done with faith love determination and unity within a family **Significant Food** Jeff

Birkenstein, Robert C. Hauhart, 2024 *Significant Food* is a collaborative work of textual analysis and criticism that chews on the role and prominence of food in American literature The volume offers close readings of many well known and some less well known examples of American writing as studied through the food culture sensibilities of a well stocked cupboard of contributors who offer their analyses for public consumption Editors Jeff Birkenstein and Robert C Hauhart find that literary criticism has focused on the role food plays in literary production to a greater extent than recognized at first glance and that its role has become increasingly common only in the last two decades Still while there is critical commentary regarding authors use of food across the expanse of American literature there has been a lack of a unifying critical theories to guide these analyses Birkenstein and Hauhart offer the theory of significant food a method that asks literary critics to evaluate and assess the extent nature and role that food plays in literary production When food and food moments are used intensively and significantly within the drama memoir poem novel short story or other writing then one can say that it has achieved a status that makes it indispensable to the work at hand **Savoring Gotham** Andrew F. Smith, 2015 *Savoring Gotham* traces the

rise of New York City s global culinary stardom in 570 accessible yet well researched A Z entries From the Native Americans who arrived in the area 5 000 years before New York was New York and who planted the maize squash and beans that European and other settlers to the New World embraced centuries later to Greek diners in the city that are arguably not diners at all this is the first A Z reference work to take a broad and historically informed approach to NYC food and drink
