Gandhi and Leadership Satinder

Dhiman,2016-04-29 In Gandhi and Leadership Professor Dhiman explores the moral and spiritual philosophical foundations and context of Gandhi's approach to leadership The book focuses on seven Gandhian values that are most relevant in the contemporary workplace *Hindu Mission, Christian Mission* Reid B. Locklin,2024-05-01 For some four hundred years Hindus and Christians have been engaged in a public controversy about conversion and missionary proselytization especially in India and the Hindu diaspora Hindu Mission Christian Mission reframes this controversy by shifting attention from conversion to a wider interreligious study of mission as a category of thought and practice Comparative theologian Reid B Locklin traces the emergence of the nondualist Hindu teaching of Advaita Vedānta as a missionary tradition from the eighth century to the present day and draws this tradition into dialogue with contemporary proposals in Christian missiology As a descriptive study of the Chinmaya Mission the Ramakrishna Mission and other leading Advaita mission movements Hindu Mission Christian Mission contributes to a growing body of scholarship on transnational Hinduism As a speculative work of Christian comparative theology it develops key themes from this engagement for a new interreligious theology of mission and conversion for the twenty first century and beyond *Bhagavad Gītā and Leadership* Satinder Dhiman,2018-12-17 This book shows how the Bhagavad Gītā part of the great Indian epic the Mahābhārata can be approached as a powerful tool for change management and as a catalyst for organizational transformation It presents time tested leadership strategies drawn from the Bhagavad Gītā that are relevant for today's leaders This book focuses on how to harmonize the needs of the individual with the needs of society and by extension how to harmonize the needs of employees and the organization It employs an inside out leadership development approach based on Self knowledge and Self mastery the two highly important areas for practicing effective Self leadership The Gītā is a non sectarian spiritual text with a universal message for living a life of meaning purpose and contribution and for leading from our authentic self It shows how to manage oneself as a necessary prelude to leading others Students and organizational leaders will learn to integrate leadership function more effectively into all aspects at the individual team and institutional level **Environmental Law and Economics** Klaus Mathis,Bruce R. Huber,2017-04-07 This anthology discusses important issues surrounding environmental law and economics and provides an in depth analysis of its use in legislation regulation and legal adjudication from a neoclassical and behavioural law and economics perspective Environmental issues raise a vast range of legal questions to what extent is it justifiable to rely on markets and continued technological innovation especially as it relates to present exploitation of scarce resources Or is it necessary for the state to intervene Regulatory instruments are available to create and maintain a more sustainable society command and control regulations restraints Pigovian taxes emission certificates nudging policies etc If regulation in a certain legal field is necessary which policies and methods will most effectively spur sustainable consumption and production in order to protect the environment while mitigating any potential negative impact on economic development Since the related problems are often caused by scarcity of resources economic analysis of law can offer remarkable insights for their resolution Part I

underlines the foundations of environmental law and economics Part II analyses the effectiveness of economic instruments and regulations in environmental law Part III is dedicated to the problems of climate change Finally Part IV focuses on tort and criminal law The twenty one chapters in this volume deliver insights into the multifaceted debate surrounding the use of economic instruments in environmental regulation in Europe
