Swann's Way Marcel Proust, 1989-03-13 From the French novelist, essayist, critic, and one of the greatest writers of the twentieth century, the first volume of his monumental masterpiece, one of the most sensitive renderings of childhood in fiction and a brilliant meditation on the recreation of the past through memory and art. In C. K. Scott Moncrieff's heralded original English translation, as revised by Terence Kilmartin based on the definitive French Pléiade edition, *Swann's Way* is the most frequently read part of Proust's epic novel *Remembrance of Things Past*, also known as *In Search of Lost Time*. It introduces subjects that resonate throughout the entire work, including the narrator's love for Swann's daughter, Gilberte; Swann's jealous passion for Odette; and the rise of the nouveaux riches Verdurins. Proust's narrator vividly recalls his childhood in Paris and Combray, most famously in a fraught evocation of his mother's good night kiss and in the iconic scene where the taste of a madeleine dipped in tea brings back a flood of memory.

Proust: *Swann's Way* Sheila Stern, 1989-06-22 *Swann's Way*, published in 1913, is the first part of Proust's seven-part novel *À la Recherche du temps perdu*. The author's expansion, revision, and correction of the work were cut short by his death in 1922, and sixty-six years later, editors are still producing variants of the last three volumes based on working notebooks. The novel's structure was compared by its author to that of a cathedral, and its status is that of one of the greatest literary landmarks of the twentieth century. Sheila Stern's study begins with a summary of the whole novel and goes on to give an account of the activity of reading as part of its subject matter. Two chapters are devoted to *Swann's Way* itself, with close attention to the opening pages and to such topics as memory, time, imagery, and names. The book's reception in various Western literatures is discussed, and there is a guide to further reading.

The Swann Way Marcel Proust, 2023 *The Swann Way* is the first volume of Marcel Proust's *In Search of Lost Time*, 1913, one of the most important novels of the twentieth century. ***Swann's Way*** Marcel Proust, 2004-11-30 The first volume of one of the greatest novels of the twentieth century in Lydia Davis's award-winning translation. Marcel Proust's *In Search of Lost Time* is one of the most entertaining reading experiences in any language and arguably the finest novel of the twentieth century. But since its original prewar translation, there has been no completely new version in English. Now Penguin Classics brings Proust's masterpiece to new audiences throughout the world, beginning with Lydia Davis's internationally acclaimed translation of the first volume, *Swann's Way*. *Swann's Way* is one of the preeminent novels of childhood, a sensitive boy's impressions of his family and neighbors all brought dazzlingly back to life years later by the taste of a madeleine. It also unfolds the short novel *Swann in Love*, an incomparable study of sexual jealousy that becomes a crucial part of the vast, unfolding structure of *In Search of Lost Time*. The first volume of the work that established Proust as one of the finest voices of the modern age, satirical, skeptical, confiding, and endlessly varied in his response to the human condition, *Swann's Way* also

stands on its own as a perfect rendering of a life in art of the past recreated through memory **Swann's Way: In Search of Lost Time** Marcel Proust,2016-10-25 Swann s Way In Search of Lost Time or Remembrance of Things Past is a novel in seven volumes written by Marcel Proust is considered to be his most prominent work known both for its length and its theme of involuntary memory the most famous example being the episode of the madeleine which occurs early in the first volume The novel had great influence on twentieth century literature some writers have sought to emulate it others to parody it In the centenary year of Du c t de chez Swann Edmund White pronounced la recherche du temps perdu the most respected novel of the twentieth century **Marcel Proust** William C.
