warmth of his proximity and it sent a tingle through my spine It won't hurt At least as long as you don't struggle too much Richard added leaning in close to my ear His voice was thick with lust His brother's calloused hands held my arms in a vice like grip as Richard began to wrap my wrists with the tape My brain screamed with the need to fight back but my body hesitated The situation had triggered something primal in me I could feel my arousal building with their rough manipulations of my body Even the sound of the tape sent a thrill through me I felt a growing warmth spreading throughout my body and I realized I was already wet Suddenly I wasn't sure I wanted to escape not that I could have Even one of the brothers would have been too strong for me with two of them I didn't even stand a chance Still I didn't want to give in right away Part of me felt the need to resist No I shouted Not not like this You don't have to I let out a gasp as the arms pulled at me roughly pivoting me on the table to give Richard better access to my arms The sudden force yanked my blouse loose from my skirt and I could feel the cool air strike my exposed midriff I considered calling for help A split second later I stopped myself who would hear me And more importantly did I want anyone to hear Did I want someone to come interrupt this encounter with two beautiful powerful men men every last woman in the office would kill for and who were prepared to take me

come to terms with her new body along with the sudden attention she's getting from her former frat brothers. This erotic gender swap story contains body transformation, sexual experimentation in a woman's body, and more. Excerpt: Terri glanced around the room and saw the cup the girl had been drinking from earlier, the girl whose name Terrence hadn't cared to remember. The one who had caused this insane change. Her head still spun with the suddenness of it all. She was just thinking of running off to grab a drink of water when the bathroom door cracked open again, revealing a trim athletic guy wrapped in a large orange towel. Holding the heavy sheet around his narrow hips, he rubbed his wet hair and smiled bashfully. "Sorry, I wonder if it would be too much if I borrowed some of your cousin's clothes." Terri's jaw dropped. From under long eyelashes, she gazed at the incredibly sexy person before her. His muscles wrapped around his thin body like a finely tuned machine, his bones revealing a perfect male physique. Terri found herself licking her lips as she watched some stray water droplets fall from his black hair, splashing onto his curved shoulders and trailing past his clavicle, the small streams dragging her attention down to the rest of his body as he stood before her, clad only in a towel. Something in the back of her mind urged her to regain control, a deep voice screaming that she wasn't really a woman and should not have found the man attractive. But another part of her, a much more potent compulsion, made her pat the mattress to her left, inviting the gorgeous man to sit beside her. His eyebrows rose in surprise, and he wandered toward her cautiously. "Shouldn't I put some clothes on first?" Terri shook her head, a girlish giggle escaping her lips. She felt like an entirely different person. The memory of Terrence was suddenly so far away. She was excited, nervous. She was experiencing emotions she couldn't even have imagined in her male form. "I want you next to me. As you are right now." *Big Top Gender Swap* Angelica Siren, 2014-01-13. Step right up for the Hottest Show on Earth.
