Poetry of the Inner Path Mary T. Harris,2007-08-01 Join Mary in a magical journey of the heart and spirit Mary s journey began in late 2000 after a particularly stressful year and she began to seek out different ways of looking at and living life After some exploration and introspection Mary began to see that peace is not a destination or something to be had after a particular achievement or milestone in life but rather something to open to embrace and live mindfully every moment Mary began to see that love was not just a beautiful connection that one has with family and friends but also a beautiful and deep connection with oneself and the higher power that allows one to see miracles in each moment Mary s poetry describes

eloquently some of the more significant markers on her journey to find her higher self Not related to any specific religion
