solve a very primal problem For Jennifer whose skin has forgotten the feeling of a wanting hand and for David who mistakes control for happiness the proposal lands with the force of a physical blow igniting a terrifying spark of hope in the desolate landscape of their desire What begins as a structured weekend exchange soon unravels into a fever dream of discovery and transgression The rules so clearly defined begin to blur with every stolen glance in the elevator every secret text that lights up a phone in the dead of night In another man s arms Jennifer awakens a fierce demanding part of herself she never knew existed while David is forced to confront a raw aggressive passion that both shatters and rebuilds his sense of self The lines of the agreement dissolve into a chaotic and thrilling landscape of jealousy possession and a dark new intimacy they never anticipated forging with their own spouses The agreement was meant to be a temporary escape a controlled experiment in a sterile lab But they didn t just break the rules they incinerated the rulebook Now bound by secrets that are as shameful as they are electrifying the two couples must navigate the wreckage of what they ve unleashed For when you trade vows for weekends and polite silence for brutal honesty the act of walking back across the hall becomes the most dangerous journey of all and the price of returning home might be your very soul
