Times The Modern One The Operation of Fitting and Fixing the Bar Closing and Completion of the Repairs Varnishing of the Repaired Parts having Fresh Wood **The Repairing & Restoration Of Violins** Horace Petherick,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Violin Restoration* Hans Weisshaar,Margaret Shipman,1988-01-01 This book contains 41 chapters of detailed repair description 125 photographs 60 technical illustrations a pattern pocket with 18 patterns Limited edition of 2000 numbered copies A review in the international magazine THE STRAD begins This is an impressive looking important book for violin makers Produced by two of the world s leading practitioners of the craft of violin restoration it sets out to describe the techniques used in their workshops to make these techniques available to the violin maker who lacks easy access to training in restoration workshops The bulletin of the Violin Society of America states This long awaited text presents the art science of violin repair in a manner so clear in its concept so unambiguous in its language that it is as enjoyable to read as it is informative This book should rapidly become a vital reference work for violin makers everywhere Published distributed by the authors 627 North Larchmont Blvd Los Angeles CA 90004 **A Luthier's Scrap Book** Harry Sebastian Wake,1970 *The Repairing and Restoration of Violins* Horace Petherick,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1903 edition Excerpt CHAPTER XVIII The Bar In Olden Times The Modern One The Operation Of Fitting And Fixing The Bar Closing And Completion Of The Repairs Varnishing Of The Repaired Parts Having Fresh Wood MUCH false reasoning upon insufficient premises has at times on and off been bestowed upon the subject of the bar and its supposed mysteries Space at command will not allow of a dissertation on this detail of the constitution of the violin A few remarks will perhaps be sufficient for present purposes When violins were first sent forth by their inventor Gasparo da Salo the bar was sometimes omitted possibly in all the earliest ones the strain on the upper table being then slight as compared with that of the present day at others it was very short and weak The substance of the upper table was considerable and much over that which the later and modern makers approve of and thus there was a counter balance At the present time still stronger bars are inserted and very frequently without rule or reason Occasionally a coarse bar will allow of good results as regards the emission of the tone the length and thickness happening to be suitable to the proportions in detail of the instrument A weakness at each end of the bar is an oft recurring cause of bad going with regard to the vibrations From this we may infer that when the bar was first thought of and inserted it was simply with an idea of

supporting the part over which the third and fourth strings were stretched and that as the tension of the strings became greater in consequence of the rise in the pitch so the bar had to be increased in strength that is longer and deeper The discovery or unearthing of an old master in its original condition will therefore be followed by the opening My Violin Needs Help!
