The Gebusi Bruce Knauft,Anne-Sylvie Malbrancke,2022-01-18 This version of *The Gebusi* is different enough from

previous editions to be not just an updated but a significantly reframed work in relation to front burner issues in cultural anthropology. These include reflexive awareness in ethnographic writing, gender relations and the subordination of women, postcoloniality, race and ethnicity and the challenges of government and corruption. Based on fieldwork in 2016 and 2017, this latest edition of *The Gebusi* blends many new developments with those of the past. Poignant descriptions and reflections by young French fieldworker Anne Sylvie Malbrancke complement Knauff's main account and provide a rich dialogue across subject position and gender in ethnographic writing. In the mix, this vibrant work powerfully documents and critically analyzes key new developments among the Gebusi. As such, *The Gebusi* Fifth Edition brings the book's compelling story forward while enriching the content structure and engaged portrayals of earlier editions. In addition to online field video resources, four instructor presentations and other study materials and resources, the book itself includes 90 photographs, all in color, in the e-book edition that dramatically convey incidents and people portrayed.

In a comprehensive introductory essay, di Giovanni situates Jacobi in the historical and philosophical context of his time and shows how Jacobi's life and work reflect the tensions inherent in the late Enlightenment.

Christian Jewish Relations 1000-1300 Anna Sapir Abulafia, 2014-05-22 The history of relations between Jews and Christians has been a long complex and often unsettled one yet histories of medieval Christendom have traditionally paid only passing attention to the role played by Jews in a predominantly Christian society This book provides an original survey of medieval Christian Jewish relations encompassing England Spain France and Germany and sheds light in the process on the major developments in medieval history between 1000 and 1300 Anna Sapir Abulafia s balanced yet humane account offers a new perspective on Christian Jewish relations by analysing the theological socio economic and political services Jews were required to render to medieval Christendom The nature of Jewish service varied greatly as Christian rulers struggled to reconcile the desire to profit from the presence of Jewish men and women in their lands with conflicting theological notions about Judaism Jews meanwhile had to deal with the many competing authorities and interests in the localities in which they lived their continued presence hinged on a fine balance between theology and pragmatism The book examines the impact of the Crusades on Christian Jewish relations and analyses how anti Jewish libels were used to define relations Making adept use of both Latin and Hebrew sources Abulafia draws on liturgical and exegetical material and narrative polemical and legal sources to give a vivid and accurate sense of how Christians interacted with Jews and Jews with Christians
