Vivre Le Quebec:

Language planning and policy in Quebec Jakob Leimgruber, 2019-09-23 This book presents an in depth study of the language policies present in the Canadian province of Quebec and considers them from a comparative perspective with special focus on Singapore and Wales In so doing it uses a mix of methods to look at the effects of language planning on language use questionnaires linguistic landscapes visible language in public space ethnography and psycholinguistic experiments Besides offering background information on Canada and Quebec the comparative element uses data from Singapore and Wales to shine a new light on how language is managed in Quebec *Quebec Hydropolitics* David Massell, 2011-01-27 The construction in the 1940s of hydroelectric dams and reservoirs Lakes Manouan and Passe Dangereuse were enormous projects that had consequences not only on the environment but also on international affairs Built by the Aluminium Company of Canada Rio Tinto Alcan the project helped meet the American and Allied Forces demand for electrical power and aluminium ingot during the Second World War but also forced Innu Montagnais hunter trappers from their ancestral lands Examining sources as varied as the papers of the Franklin D Roosevelt Presidential Library and interviews with Montagnais elders *Quebec Hydropolitics* presents a compelling synthesis of business and social history as well as wartime politics David Massell reconstructs the story of a changing landscape through the perspectives of corporate executives government officials and Aborigines to show the effect that war had on Canadian resource extraction and energy policy as well as its indigenous peoples A narrative that flows from the Saguenay watershed to the centres of political power *Quebec Hydropolitics* is an informative look at the costs and benefits of large scale industrialization *Quebec Identity* Jocelyn Maclure, 2003 In *Quebec Identity* Jocelyn Maclure provides a critical reflection on the ways in which Quebec s identity has been articulated since the 1960s Quiet Revolution He shows how neither the melancholic nationalism of the Montreal school Hubert Aquin Pierre Valli res Fernand Dumont and their followers nor the individualist antinationalism of Pierre Trudeau and his followers provide identity stories and political projects adequate for contemporary Quebec In articulating an alternative narrative Maclure reframes the debate detaching the question of Quebec s identity from the question of sovereignty versus federalism and linking it closely to Quebec s cultural diversity and to the consolidation of its democratic sphere In so doing he rethinks the conditions of authenticity leaves space for First Nations self determination and takes account of globalization This edition has been expanded for English Canadians with additional references as well as a glossary of names institutions and concepts **Urban Archaeology, Municipal Government and Local Planning** Sherene Baugher, Douglas R. Appler, William Moss, 2017-07-28 Improving the relationship between archaeology and local government represents one of the next great challenges facing archaeology specifically archaeology done in urban settings Not only does local government have access to powerful legal tools and policy mechanisms that can offer protection for privately owned archaeological sites but because local government exists at the grassroots level it is also often closer to

people who have deep knowledge about the community itself about its values and about the local meaning of the sites most in need of protection This partnership between archaeology and local government can also provide visibility and public programming for heritage sites This book will explore the experiences both positive and negative of small and large cities globally We have examined programs in the Commonwealth of Nations formerly known as the British Commonwealth and in the United States These countries share similar perspectives on preservation and heritage although the approaches these cities have taken to address municipal archaeology reveals considerable diversity The case studies highlight how these innovative partnerships have developed and explain how they function within local government Engaging with the political sphere to advocate for and conduct archaeology requires creativity flexibility and the ability to develop collaborative partnerships How these archaeological partnerships benefit the community is a vital part of the equation Heritage and tourist benefits are discussed Economic challenges during downturns in the economy are analyzed The book also examines public outreach programs and the grassroots efforts to protect and preserve a community's archaeological heritage

Quebec Cinema in the 21st Century Michael Gott, Thibaut Schilt, 2024-02-06 This collection of ten chapters and three original interviews with Quebecois filmmakers focuses on the past two decades of Quebec cinema and takes an in depth look at a primarily Montreal based filmmaking industry whose increasingly diverse productions continue to resist the hegemony of Hollywood and to exist as a visible and successful hub of French language and ever more multilingual cinema in North America This volume picks up where Bill Marshall's 2001 *Quebec National Cinema* ends to investigate the inherently global nature of Quebec's film industry and cinematic output since the beginning of the new millennium Through their analyses of contemporary films *Une colonie* *Avant les rues* *Bon cop bad cop* *Les Affamés* *Tom la ferme* *Uvanga* among others directors including Xavier Dolan Denis Côté Sophie Desrappes Chloé Robichaud Jean Marc Vallée and Monia Chokri and genres such as the buddy comedy and the zombie film our authors examine the growing tension between Quebec cinema as a national cinema and as an art form that reflects the transnationalism of today's world a new form of fluidity of individual experiences and an increasing on screen presence of Indigenous subjects both within and outside the borders of the province The book concludes with specially conducted interviews with filmmakers Denis Chouinard Bachir Bensaddek and Marie Hélène Cousineau who provide their views and insights on contemporary Quebec filmmaking

Just Living Together Alan Booth, Ann C. Crouter, Nancy S. Landale, 2002-02-01 Based on the presentations and discussions from a national symposium *Just Living Together* represents one of the first systematic efforts to focus on cohabitation The book is divided into four parts each dealing with a different aspect of cohabitation Part I addresses the big picture question What are the historical and cross cultural foundations of cohabitation Part II focuses specifically on North America and asks What is the role of cohabitation in contemporary North American family structure Part III turns the focus to the question What is the long and short term impact of cohabitation on child well being Part IV addresses how cohabiting couples are affected by current policies and

what policy innovations could be introduced to support these couples Providing a road map for future research program development and policymaking Just Living Together will serve as an important resource for people interested in learning about variations in the ways families of today are choosing to organize themselves **Watching Quebec** Ramsay Cook,2005 Classic essays analysing the roots and growth of nationalism in Quebec The Jesuit Relations and Allied Documents: Hurons, Quebec 1638-1639 Jesuits,1898 The Republic of Canada Almost Patrick Richard Carstens,2013-01-31 The history of Canada since post War of 1812 to Confederation in 1867 is an interesting chapter and not a well known part of our history The provinces of Quebec and Ontario were ruled by non elected powers who controlled the governments In Lower Canada Quebec it was the Chateau Clique and in Upper Canada it was the Family Compact who provided the fuel for the Rebellions of 1837 38 To find the stories behind the story we started searching for roadside markers historical plaques monuments cemeteries and the tombstones to the fallen the battlefields and those who fought and those who were key players in the rebellion We are telling readers why Canada was Almost The Republic of Canada and why the Americans who fought and those who lost their lives fighting to add the Canadas to the United States of America **Contemporary Quebec** Michael D. Behiels,Matthew Hayday,2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions Quebec National Cinema Bill Marshall,2001 Instead he shows that while the allegory of nation marks Quebec film production it also leads to a tension between textual and contextual forces between homogeneity and heterogeneity and between major and minor modes of being and identity Language, Citizenship and Identity in Quebec L. Oakes,J. Warren,2007-01-05 Globalization is calling for new conceptualizations of belonging within culturally diverse communities Quebec driven by the pressures of maintaining Francophone identity and accommodating migrant groups provides a fascinating case study of how to foster a sense of belonging **The Callaghan Symposium** David Staines,1981 The Secession of Quebec and the Future of Canada Robert Andrew Young,1998 Based on the premises that Quebecers vote for independence in a referendum and Canada accepts this result The Secession of Quebec and the Future of Canada is a timely examination of the implications of separation for Quebec and the rest of Canada **National Manhood and the Creation of Modern Quebec** Jeffery Vacante,2017-06-15 This intellectual history explores how the idea of manhood shaped French Canadian culture and Quebec's nationalist movement During the latter half of the nineteenth century Quebec was an agrarian society and masculinity was rooted in the land and the family and informed by Catholic principles of piety and self restraint As the industrial era took hold a new model was forged built on the values of secularism and individualism Jeffery

Vacante's perceptive analysis reveals how French Canadian intellectuals defined masculinity in response to imperialist English Canadian ideals. This national manhood would be disentangled from the workplace, the family, and the land and tied instead to one's cultural identity. The new formulation was crucial in the larger struggle to modernize Quebec's institutions while preserving French Canadian community faith and culture. It offered French Canadian men a way to remodel themselves, participate in industrial modernity, and still assert cultural authority.

The Quebec Conference of 1864 Eugénie Brouillet, Alain-G. Gagnon, Guy Laforest, 2018-12-30 A new interpretation of a key period in Canadian political history

A Short History of Quebec John A. Dickinson, Brian Young, 2008-09-19 John A. Dickinson and Brian Young bring a refreshing perspective to the history of Quebec, focusing on the social and economic development of the region as well as the identity issues of its diverse peoples. This revised fourth edition covers Quebec's recent political history and includes an updated bibliography and chronology and new illustrations. A Canadian classic, *A Short History of Quebec* now takes into account such issues as the 1995 referendum, recent ideological shifts, and societal changes, considering Quebec's place in North America in the light of NAFTA and offering reflections on the G. R. Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008.

Quebec in a Global Light Robert Calderisi, 2019-07-15 To the outside world, Quebec is Canada's most distinctive province. To many Canadians, it has sometimes seemed the most troublesome. But over the last quarter century, quietly but steadily, it has wrestled successfully with two of the West's most daunting challenges: protecting national values in the face of mass immigration and striking a proper balance between economic efficiency and a sound social safety net. Quebec has also taken a lead in fighting climate change. Yet many people, including many Quebecers, are unaware of this progress and much remains to be done. These achievements and the tenacity that made them possible are rooted in centuries of adversity and struggle. In this masterful survey of the major social and economic issues facing Quebec, Robert Calderisi offers an intimate look into the sensitivities and strengths of a society that has grown accustomed to being misunderstood. In doing so, he argues that the values uniting Quebecers—their common sense, courtesy, concern for the downtrodden, aversion to conflict, and mild form of nationalism—linked to a firm refusal to be homogenized by globalization, make them the most Canadian of all Canadians.

Quebec, the Laurentian Province Beckles Willson, 1913

From Old Quebec to La Belle Province Nicole Neatby, 2018-11-30 Making sense of why Quebec changed its tourism marketing brands, leading up to Expo 67 and shifting travel writers' reactions to the province.
