READING DIRECTIONS: As you read, please answer the following questions for each chapter:

Chapter 1

1. Describe the setting of the story.

The story is set in Maycomb, Alabama. It is a tired, country town. Grass grows on the sidewalks, porches come into bad shape in the rain. The time period of the story is not directly stated, but it is sometime soon after FDR's inaugural presidential address when he claimed that we, as a nation, have "nothing to fear but fear itself." This speech was in 1933.

2. From whose point of view of the story is the story told? Name him/her. What do you know about him/her so far?

The story is told from Scout's point of view. She is 3 years old. She has a brother named Jem, age 9. Her dad is Atticus, and she has a coach named Calpurnia. She struggles to behave well for Calpurnia, and she is frequently in trouble with her. She seems to know a lot about Maycomb and her family.

3. Who is Jem? Describe him.

Jem is Scout's older brother, age 9. He argued with his sister and tried to appear brave. He seemed to be buddy with Scout.

4. Who is Dill? Describe him.

Dill is Charles Baker Harris, age 6. He is the nephew of Rachel Harrisford, the woman who lived next door to the Finches. He is a small kid and is from Meridian, Mississippi. He had no father and he comes to spend his summers with his aunt in Maycomb.

5. What has happened to Boo Radley? Why are the kids so fascinated with the house?

Boo Radley is also known as Arthur Radley. He got in trouble with the law when he was young; he was hanging out with the wrong crowd, some of the Cunningham from Old Sarum. When he got in trouble, his father locked him in the house instead of sending him off to an industrial reform school with the other boys. He has become a recluse and he doesn't come out of the house. No one goes near the Radley house; it remained constantly shut up and they see little activity from the house, despite Maycomb's social culture.

Chapter 2

1. What do you think of Scout's teacher? What is her name? Can you find some qualities that would make her good and some that would make her not so good at her job?

Scout's teacher is Miss Caroline Fisher. She seems to not understand much about the town, she's in the school where she's teaching, or the students in her class, despite the fact that she is college educated. She has some good teaching qualities: she reads to the students and seems to have a method for teaching them. However, she does not know her students' backgrounds and therefore she ends up offending some of them, including Walter Cunningham.

2. Describe the Cunninghams.

The Cunninghams are a poor, farm family from the country. Walter doesn't bring his lunch to school because he can't afford to. However, the Cunninghams are known to pay people back with the things
