Alabama in which the novel is set As a matter of fact scenes of the movie were filmed in Monroeville Apart from the setting of the novel readers and critics were quick to detect other similarities between Harper Lee and the narrator the six year old girl Scout Finch whose real name is Jean Louise Just as Scout s father Atticus Finch Harper Lee s father Amasa was a lawyer When Harper Lee was growing up nine young African American men were innocently accused and found guilty of raping two white women in the Scottsboro Trials similar to Tom Robinson s fate in the novel To Kill a Mockingbird is an important novel for both young and old readers because of its appealing way to present the story The narrator is the six year old Scout Finch The readers see and experience the events of the story through her eyes and learn to appreciate Scout s way of telling things and her special view of Maycomb s society The reason for this is that Scout is an innocent little girl who does not yet fully understand the world she lives in Besides she is not yet socialized in the society she does not know about the conventions and norms with regard to race gender and hierarchy
