

To Kill a Mockingbird Viewing Guide Part 1 0:00-23:00

1. 2:48 -3:40 - The narrator describes the town of Maycomb – the setting for the film – as a way of immediately orienting the viewer. In your own words, what kind of town is Maycomb? From your context research, what do you imagine might be some of the problems/ issues that we might experience in such a town, in 1932, when the action of the film takes place? It may be a town full of white people as the blacks were discouraged from living in such a good environment.
2. 3:40 – 4:34 What are your first impression of Scout (the little girl – the narrator is Scout as an adult remembering events from her childhood). She is energetic, curious, and alert.
3. 4:34 -5:00 -Mr Cunningham is dropping off chestnuts to Atticus (Scout's father) as a way of paying him for help with a legal matter.
-what does this suggest about Mr Cunningham's abilities to pay for the legal services Atticus has given him? He has no money to pay for the legal fees.
-Atticus suggests to Scout that she shouldn't draw attention to Mr Cunningham dropping off goods as a way of payment in future. What does this suggest about the kind of person Atticus is? Why do you think he needs to explain this to Scout? Atticus wants money as the payment not chestnuts, it suggests Atticus is a person that doesn't want gifts as payments but money. He needs to explain that to Scout as he is educating her telling her money is money and nothing can replace it.
4. 6:00 -7:00- we are introduced to Jem, Scout's brother. What is Jem's attitude towards his father? Jem's attitude towards his father is disrespectful, and full of hate.
5. 7:00 – 9:45 – Jem tells Dill about Boo Radley. Summarise what we learn about Boo from Jem's dialogue. How does the music playing whilst Jem describes Boo position the audience (how does it make us feel about Boo)? The dialogue suggests that their relationship isn't that well. It makes us feel that Boo is a weird and unusual person. The music makes us the audience feel intrigued and want to know more and feel suspicious.
6. 16:00-17:16 - the town judge visits Atticus to ask him to represent a person named Tom Robinson in a coming trial. How do we know that Atticus has reservations about taking the case? Refer to at least one film technique here. We know that Atticus has reservations in the early stages of the video as he was paying him chestnuts for the legal fees. The film technique used is reflection/ backlash?
7. 17:16 -19:00 – Dill suggests that Jem isn't brave enough to knock on Boo Radley's door (the children are too afraid to even go into the yard because of all the rumours they've heard about Boo being monstrous). When Scout's tyre ends up in the front yard, Jem takes his chances to knock and run. Do you think he is being brave to do this? Why/why not? I think he is being brave and just a clown, he is brave to knock and run as everyone has rumours saying that he has a gun. He is a clown as he just wants to see what people see of him doing that and will make him stand out as the super strong and brave guy that knocked on the door.
8. 21:30 - in the courthouse scene, we first meet Bob Ewell. He refers to the defendant Tom Robinson, with some offensive language which is totally unacceptable today, and would have been considered a derogatory slur even in the 1930s, when the film is set. What is Ewell's main problem with the fact that Atticus is defending Tom Robinson in the case? What might this suggest about Ewell's
