A Study Guide for E. R. Braithwaite's "To Sir, With Love" Gale, Cengage Learning, 2016-07-12 A Study Guide for E R Braithwaite's *To Sir With Love* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. *To Sir, with Love* Lauren Layne, 2021-06-29 Love Is Blind meets You've Got Mail in this laugh-out-loud romantic comedy following two thirty-somethings who meet on a blind dating app only to realize that their online chemistry is nothing compared to their offline rivalry. Perpetually cheerful and eager to please, Gracie Cooper strives to make the best out of every situation. So when her father dies just months after a lung cancer diagnosis, she sets aside her dreams of pursuing her passion for art to take over his Midtown Manhattan champagne shop. She soon finds out that the store's profit margins are being squeezed perilously tight, and complicating matters further, a giant corporation headed by the impossibly handsome but irritatingly arrogant Sebastian Andrews is proposing a buyout. But Gracie can't bear the thought of throwing away her father's dream like she did her own. Overwhelmed and not wanting to admit to her friends or family that she's having second thoughts about the shop, Gracie seeks advice and solace from someone she's never met: the faceless Sir, with whom she connected on a blind dating app where matches get to know each other through messages and common interests before exchanging real names or photos. But although Gracie finds herself slowly falling for Sir online, she has no idea she's already met him in real life, and they can't stand each other. **A Collector's Guide to Books on Japan in English** Jozef Rogala, 2012-10-12 For librarians and private collectors of books on Japan in English, Jozef Rogala's alphabetical guide will prove an invaluable and very accessible addition to existing bibliographic sources and references, not least because of the supporting biographies of major writers and the historical and cultural notes provided.
