To Kill A Mockingbird Study Guide Wordpress:

Harper Lee's To Kill a Mockingbird Michael J. Meyer, 2010-10-14 In 1960 To Kill a Mockingbird was published to critical acclaim To commemorate To Kill a Mockingbird's 50th anniversary Michael J Meyer has assembled a collection of new essays that celebrate this enduring work of American literature These essays approach the novel from educational legal social and thematic perspectives Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch An American classic that frequently appears in middle school and high school curriculums the novel has been subjected to criticism for its subject matter and language Still relevant and meaningful To Kill a Mockingbird has nonetheless been under appreciated by many critics There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today Intended for high school and undergraduate usage as well as for teachers planning to use To Kill a Mockingbird in their classrooms this collection will be a valuable resource for all teachers of American literature

Compose Our World Alison G. Boardman, Antero Garcia, Bridget Dalton, Joseph L. Polman, 2021 Learn how to develop and sustain multimodal project based learning PBL instruction in secondary English Language Arts classrooms National standards encourage authentic forms of reading writing and communication that can support college and career readiness and this book highlights PBL as a powerful way to harness students interests and engage them in academically rigorous learning The authors provide specific research informed curricular approaches and instructional guidance for classroom teachers as well as an overview of the dimensions of PBL that are often overlooked in the broad expectations of inquiry based teaching Instead of quick fix lessons Compose Our World explores how core dimensions of equitable teaching such as social and emotional support universal design for learning and cultivating classroom community function as the bedrock for student success in PBL contexts and beyond Book Features Based on the authors extensive experience developing and studying a PBL curriculum Brings PBL to life through classroom vignettes and teacher and student voices Provides classroom resources that facilitate customization to unique contexts Shares ideas for developing teacher communities around PBL practices Offers additional curriculum materials online Appropriate for ELA teachers new to PBL as well as veterans
