The one woman a notorious rake truly desires is also his greatest challenge in the USA. Today bestselling author's expertly fashioned Regency romance. Booklist Anthony Hamilton cannot help it. But he's never forgotten the only woman he's ever truly wanted and yet could never have. Celia Reece knew Anthony well before his scandalous reputation. The young man she remembers spoke kindly, made her laugh, and quickened her pulse with his devilish good looks. But Celia's mother had designs for her life that didn't include Anthony. Now that Celia is widowed, Anthony refuses to let any obstacle stand in his way. He intends to win Celia's heart with the same skills that made him London's most irresistible rake. *A Marquess Too Rakish to Wed* Liz Tyner, 2022-07-26. This Regency brims with lively humor and sparky romance. Two opposites. Will they ever attract? Women flock around the disreputable Marquess of Hartcroft, all except Lady Guinevere Chenoweth. She holds him at a polite distance, disapproving of the way he breaks society's rules. So no one is more surprised than Guinevere when she rushes to his side after he has a serious riding accident. And it seems the marquess's brush with death has forced him to think more favorably about marriage, because he's just stunned her with a proposal. From Harlequin Historical. Your romantic escape to the past. **Ruse & Romance** Suzanne G. Rogers, 2019-02-14. Unjustly labeled a flirt, Kitty Beaucroft is in need of a fiancé. Lord Philip Butler's father wants him to settle down before he can become a landowner. With no intention of following through, Kitty and Philip enter into a temporary engagement as a means to an end. Unfortunately, someone knows the truth and is determined to expose them. **The Rake's Convenient Bride** Madeline Martin, 2024-12-10. A wallflower who trips through life, Lady Elizabeth Ashbrook is something of a klutz. Only this time, the quiet bookish young lady has literally fallen directly into the path of none other than the notoriously rakish Earl of Darington. When an accidental encounter appears rather compromising, Lady Elizabeth does what any sensible young lady would and declares they are engaged. Even rakes can act the gentleman when necessary, and Lord Darington does so by allowing her lie to stand, thus saving her reputation with the ridiculous claim. After all, they only need to be betrothed for a few weeks before calling their engagement off. And it will be called off. Lord Darington is enticing, smooth talking, and as sure in his footing as he is in his own confidence. That is to say, he is everything Lady Elizabeth is not, and the kind of gentleman that should make any lady guard her heart. In all possible ways, they are entirely ill suited for one another, aren't they? *To Wed a Wicked Earl* Olivia Parker, 2024-02-27.
