interpret this pivotal text Even such basic matters as the question of what kind of literature it is remain unresolved while older questions such as the nature of its text and sources are debated anew in the light of material from Qumran and of current approaches to Hebrew narrative Recognizing the importance of questions such as these David Firth explores and introduces fresh ways of reading Samuel as a unified and yet complex text which displays high levels both of literary artistry and of theological commitment Although some stories in the books of Samuel are well known and in the case of David and Goliath even proverbial much of the content of these books is strange to modern readers It is a story about a woman wanting a child for example that relates the beginnings of monarchy within Israel Even the question of the monarchy is problematic for we are introduced to not one royal family but two those of Saul and David David is ultimately shown to be the king chosen by God yet by the end of the book he is only just managing to hold on to the kingdom as it is nearly torn from him by rivalries within his family These arresting stories are perplexing for Samuel s writers seldom tell us how to read and interpret them Firth presents these complex and fascinating stories as part of a bigger picture enabling students to chart their way through the literary and historical issues of the Samuel narrative Firth addresses issues of historicity sources date and authorship as well as crucially appreciating the text as a literary whole

author Dr David Jeremiah reminds us that the Christian life is to be lived looking forward and with our eyes fixed on the race in front of us not looking back over at our shoulder at the other runners or the past In the Bible the apostle said as much when he wrote Not that I have already attained or am already perfected but I press on that I may lay hold of that for which Christ Jesus has also laid hold of me Brethren I do not count myself to have apprehended but one thing I do forgetting those things which are behind and reaching forward to those things which are ahead I press toward the goal for the prize of the upward call of God in Christ Jesus Philippians 3 12 14 NKJV Dr Jeremiah draws on this key verse to show that while it is good at times to look back we need to make sure that we don't go back and allow the past to dictate our future We need to celebrate our good memories but also celebrate our bad memories with finality thanking God for the lessons that He has taught us through the experience and committing to use those lessons to make positive changes in our lives We then need to allow our past memories to cultivate our dreams boldly stepping into the mission God has for us and allowing Him to continually transform us to be more like Christ Now is the time to step past our comfort and our failure Now is the time to move forward in following God Designed for use with the Forward Video Study available on DVD or streaming video sold separately **A Study Guide for Frank Sargeson's "A Frank Sargeson's Great Day"** Gale, Cengage Learning,
