

TO THE TEACHER

What is *Top Notch*?

Top Notch is a six-level* communicative course that prepares adults and young adults to interact successfully and confidently with both native and non-native speakers of English.

The goal of *Top Notch* is to make English unforgettable through:

- Multiple exposures to new language
- Numerous opportunities to practice it
- Deliberate and intensive recycling

The *Top Notch* course has two beginning levels—*Top Notch Fundamentals* for true beginners and *Top Notch 1* for false beginners. *Top Notch* is benchmarked to the Global Scale of English and is tightly correlated to the Can-do Statements of the Common European Framework of Reference.

Each full level of *Top Notch* contains material for 60–90 hours of classroom instruction. In addition, the entire course can be tailored to blended learning with an integrated online component, *MyEnglishLab*.

NEW This third edition of *Top Notch* includes these new features: Extra Grammar Exercises, digital full-color Vocabulary Flash Cards, Conversation Activator videos, and Pronunciation Coach videos.

* *Summit 1* and *Summit 2* are the titles of the 5th and 6th levels of the *Top Notch* course.

Award-Winning Instructional Design*

Daily confirmation of progress

Each easy-to-follow two-page lesson begins with a clearly stated practical communication goal closely aligned to the Common European Framework's Can-do Statements. All activities are integrated with the goal, giving vocabulary and grammar meaning and purpose. Now You Can activities ensure that students achieve each goal and confirm their progress in every class session.

Explicit vocabulary and grammar

Clear captioned picture-dictionary illustrations with accompanying audio take the guesswork out of meaning and pronunciation. Grammar presentations containing both rules and examples clarify form, meaning, and use. The unique *Recycle this Language* feature continually puts known words and grammar in front of students' eyes as they communicate, to make sure language remains active.

High-frequency social language

Twenty memorable conversation models provide appealing natural social language that students can carry "in their pockets" for use in real life. Rigorous controlled and free discussion activities systematically stimulate recycling of social language, ensuring that it's not forgotten.

Linguistic and cultural fluency

Top Notch equips students to interact with people from different language backgrounds by including authentic accents on the audio. Conversation Models, Photo Stories, and cultural fluency activities prepare students for social interactions in English with people from unfamiliar cultures.

Active listening syllabus

All Vocabulary presentations, Pronunciation presentations, Conversation Models, Photo Stories, Listening Comprehension exercises, and Readings are recorded on the audio to help students develop good pronunciation, intonation, and auditory memory. In addition, approximately fifty carefully developed listening tasks at each level of *Top Notch* develop crucial listening comprehension skills such as listen for details, listen for main ideas, listen to activate vocabulary, listen to activate grammar, and listen to confirm information.

We wish you and your students enjoyment
and success with *Top Notch 2*.
We wrote it for you.

Joan Saslow and Allen Ascher
