DRS: An Intellectual Approach To Bible Study II Dr. Shi-Brone (Jake) Jacobs, 2016-12-14 Dr Jacobs book provides a series of methods by which to objectively approach difficult Biblical topics Additionally it offers readers a perspective view held by many non Christians so that appropriate apologetic stances can be developed *American Parishes* Gary J. Adler, Tricia C. Bruce, Brian Starks, 2019-07-02 Parishes are the missing middle in studies of American Catholicism Between individual Catholics and a global institution the thousands of local parishes are where Catholicism gets remade American Parishes showcases what social forces shape parishes what parishes do how they do it and what this says about the future of Catholicism in the United States Expounding an embedded field approach this book displays the numerous forces currently reshaping American parishes It draws from sociology of religion culture organizations and race to illuminate basic parish processes like leadership and education and ongoing parish struggles like conflict and multiculturalism American Parishes brings together contemporary data methods and questions to establish a sociological re engagement with Catholic parishes and a Catholic re engagement with sociological analysis Contributions by leading social scientists highlight how community geography and authority intersect within parishes It illuminates and analyzes how growing racial diversity an aging religious population and neighborhood change affect the inner workings of parishes Contributors Gary J Adler Jr Nancy Ammerman Mary Jo Bane Tricia C Bruce John A Coleman S J Kathleen Garces Foley Mary Gray Brett Hoover Courtney Ann Irby Tia Noelle Pratt and Brian Starks **Stumbling over the Cross** Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world **The One Year Book of Amazing Stories** Robert Petterson, 2018-10-09 ECPA 2020 Christian Book Award Finalist You wouldn't believe it but James Earl Jones the voice of Darth Vader grew up mute Michael Jordan was cut from his high school basketball team Albert Einstein was bullied mercilessly in school Beethoven's mom almost aborted him Life takes the strangest sharp turns and sometimes U turns Robert Petterson popular speaker storyteller and author has been a student for his entire life of what God is teaching

author of *The Garden Party* *TPT The Book of Mark* Brian Simmons, 2023-01-03 The book of Mark is an explosive account of Jesus' miraculous life. Mark highlights the many miracles of Jesus, illustrating the beautiful union of divine power and overwhelming mercy as he healed, taught, and saved the lost. This gospel reveals the Suffering Servant and transforms us into his fervent followers. This 12-lesson study guide on the book of Mark provides a unique and welcoming opportunity to immerse yourself in God's precious Word as expressed in The Passion Translation. Begin your journey with a thorough introduction that details the authorship of Mark, date of composition, first recipients, setting, purpose, central message, and key themes. Each lesson then walks you through a portion from the book and includes features such as notable verses, historical and cultural background information, definitions of words and language, cross references to other books of the Bible, maps, and character portraits of figures from the Bible and church history. Enrich your biblical understanding of the book of Mark, experience God's love for you, and share his heart with others. *Raising a Child Who Prays* David Ireland, 2016 Raise children who pray to give them a firm foundation and enable them to make the right choices. **Birdville School; A Portrait of Small-Town America in the 20th Century** Bob Barrage, 2019-01-03 Birdville School opened in 1922 on the corner of two dirt roads at the edge of a fallow farm. Over the next 67 school years, it witnessed and influenced the unfolding story of the town that grew up around it: amid flood, brushfire, blizzard, tornado, and earthquake; poverty and prosperity; war, peace, and cold war; and even the collapse of the earth beneath its foundations. Its auditorium and cafeteria hosted PTA meetings, plays, movies, concerts, basketball tournaments, holiday parties, Girl Scout and Boy Scout meetings, polio vaccination clinics, and war-time rationing registrations and scrap collection drives. Local sand lot softball, baseball, and football teams competed in the same surrounding fields that swarmed with gleeful children at recess and that echoed with the roar of low-flying aircrafts snagging mailbags on their tail hooks. Among its staff were thespians, musicians, firemen, outdoorsmen, and athletes, including a singer who performed in the Coolidge White House, a candidate for the state legislature, an army medic, and a ball player who faced off against the Homestead Grays and the Pittsburgh Pirates. By the time classes concluded for the last time in 1989, thousands of children, including the author, had benefitted from the care, instruction, and example of the Birdville School family. This book is a feeble tribute to those who made us who we are. Spirituality and Deep Connectedness Michael C. Brannigan, 2018-09-15 What is spirituality? Does it enable us to be better persons? Is spirituality related to religion? These days, is it even relevant? On college campuses, does it promote student well-being? Does it further moral growth? Can spirituality make a difference in healthcare? What about social justice and service to the marginalized? This rich collection of essays by respected scholars and practitioners in diverse fields—in academic, healthcare, social justice, and interfaith contexts—addresses these questions in strikingly profound and meaningful ways. Their voices offer alternatives to the prevailing notion of spirituality as a purely private matter and make a case for living spiritually through deep and genuine engagement with others, bridging our inherent and original fault line of Self and Other. Their keen observations resuscitate

the spiritual fabric of defiance against and liberation from forces of oppression which show their face not only through chronic inequities and social injustice but in consumer capitalism's grip on our souls This volume's dispatch to our minds and hearts is timely in an age of looming cynicism pessimism fear and distrust In carving out a renewed sense of what lies at the heart of living a life of the spirit or spirituality it offers an antidote to our widespread hermeneutic of suspicion None of the authors claims to encapsulate one pure meaning of the spiritual Yet they share one collective voice spirituality is indeed genuine when it calls forth compassion and wears the worn and tangled face of humanness freeing ourselves from the prison of ego Here we find messages of hope much needed in a time when our society seems increasingly shadowed by dark clouds These essays remind us of what's right in the world

PHP Solutions David Powers, 2014-12-12 This is the third edition of David Powers' highly respected PHP Solutions Dynamic Web Design Made Easy This new edition has been updated by David to incorporate changes to PHP since the second edition and to offer the latest techniques a classic guide modernized for 21st century PHP techniques innovations and best practices You want to make your websites more dynamic by adding a feedback form creating a private area where members can upload images that are automatically resized or perhaps storing all your content in a database The problem is you're not a programmer and the thought of writing code sends a chill up your spine Or maybe you've dabbled a bit in PHP and MySQL but you can't get past baby steps If this describes you then you've just found the right book PHP and the MySQL database are deservedly the most popular combination for creating dynamic websites They're free easy to use and provided by many web hosting companies in their standard packages Unfortunately most PHP books either expect you to be an expert already or force you to go through endless exercises of little practical value In contrast this book gives you real value right away through a series of practical examples that you can incorporate directly into your sites optimizing performance and adding functionality such as file uploading email feedback forms image galleries content management systems and much more Each solution is created with not only functionality in mind but also visual design But this book doesn't just provide a collection of ready-made scripts each PHP Solution builds on what's gone before teaching you the basics of PHP and database design quickly and painlessly By the end of the book you'll have the confidence to start writing your own scripts or if you prefer to leave that task to others to adapt existing scripts to your own requirements Right from the start you're shown how easy it is to protect your sites by adopting secure coding practices

Becoming like Jesus Cynthia Heald, 2024-06-04 What If We Really Imitated Jesus Living as Jesus lived is that even possible Jesus was sinless performed miracles and atoned for the sins of humanity He was God's beloved Son How could we possibly come anywhere close to being like Him But Scripture tells us to live as Jesus did which means God Himself makes this kind of life possible How then can we allow Him to shape our hearts motivations and actions so we increasingly remind people of the One we follow Renowned Bible study writer Cynthia Heald explores the everyday journey of becoming like Christ With the seasoned guidance from a lifelong faith she shares the challenges and rewards of embodying

Christlikeness as well as her own imperfect stumbling experiences in learning to become like Jesus In this insightful accessible and thought provoking book perfect for quiet time or a 6 week small group study you ll find yourself inspired and encouraged to step into the simple yet powerful ways God molds us into the image of His Son In Becoming Like Jesus you will find devotional reflections on the invitation to daily spiritual growth insightful quotations from godly writers and prayers and Scripture references and Bible study reflection questions Don t hesitate to embark on a life changing journey of becoming like Jesus Embrace the call to imitate Christ and discover the joy and fulfillment that come from reflecting His character in your everyday life
