(Creator, Creations & Science) : Vol. II, III & IV Dr. Anwar Islam, 2025-03-08 This book titled as Isn't Science A Modern Pharaoh published combinedly in Vol II III IV each with separate sub title covers the whole gamut of creations of the universe heavens and hells earth and everything created by Allah swt in between heavens and earth including sun and moon day and night mankind animalkind birds and all other creatures etc in pairs and analyses all the topics keeping in view science and the scientific theories of creations compared with religious points of view of creations about the creation of Satan with particular reference to Pharaoh Prophetic and Pharaohic forces and the respective roles played by each of them and so on and so forth This is in continuation of Vol I V of this book already published earlier in series under the same title with separate sub titles totalling it to altogether 5 five volumes in all The book also contains separate chapters with separate topics in every individual volume and makes it all worth reading for gaining knowledge about the mysteries of creations of Allah swt applying the formulae of anti clockwise revolution or rotation in all creations besides opening our eyes about and highlighting the relative connectivity of all the volumes of the book on how science despite its positive contributions towards making mankind to be the most civilized creation of Allah swt has also been playing the role of a destroyer and behaving like Pharaoh the mighty king of Egypt who claimed himself as God and meted out tyrannical torments on the Israelites coupled with killings and murdering of innocent children women and others but was punished by Allah swt for transgressions beyond all bounds To that extent science with all its destructive creations in different forms has otherwise assumed the same role of Pharaoh in killing innocent lives in different ways be it by application of medical science or war heads and other devices of wars and so on and so forth as discussed in Vol V and is not unlikely to become the ultimate cause of destruction of the world in not too distant a future
