or crack them apart The final leg of the Moondog Three 1989 album tour approaches with Toronto the midwest and New York City still to come Daron and Ziggy have learned a lot about each other and about what it takes to stay sane on the road but have the lessons come too late Daron thinks maybe he finally knows what love is At least some feeling is making his heart sing But is Ziggy too far gone to hear it Readers speak This volume is beautiful and sweet and touching and so so heartbreaking This series is an emotional roller coaster ride as told in the first person by Daron a guitar prodigy and founder of the fictional band Moondog 3 Don t tell Daron it s fictional This series set in the mid 80 s and continuing through the early 90 s and still going is a peek into the music scene as Hair Bands transitioned into Grunge Rock n Roll was almost as confused as Daron is about his feeling for his lead singer Ziggy I loved every page of it Having read and enjoyed the first four volumes I was more than ready to be a fly on the wall for the next part of Daron Ziggy Jonathan Carynne et al s road trip There is something very compelling about the way these books are written Perhaps because they were written during the time period that they represent rather than as a retro attempt at capturing their era The author has a way of making you feel that you are in the room or perhaps playing the guitar on stage yourself that I have not experienced reading any other similar book I can feel Ziggy applying my eyeliner as I experience Daron s prepping for a concert Forcing the Teacher Lisa Love,2025-10-19 Who wants to go first Edvard has faced unruly students endless papers and a lifetime of discipline but nothing could prepare him for the night seven masked men invade his office What begins as terror soon becomes something darker and far more dangerous Forced into submission Edvard experiences a kind of touch he s never known a raw electric pleasure that shatters every belief he s had about himself Each visit pushes him further Each command strips another layer of resistance Until the straight laced teacher finds himself craving the very men who took him When the truth behind their motives is finally revealed Edvard must decide Will he fight to reclaim his old life or surrender completely to the forbidden desires that now consume him Forcing the Teacher is a dark dubcon erotic romance exploring dominance submission and sexual awakening It features explicit first time gay encounters multiple partners and themes of control and surrender all leading to a deeply satisfying hard earned happily ever after Excerpt Edvard never had time to block the door He was so consumed with preparing for his upcoming lectures that he didn t notice anything sinister happening around him But he thought he heard footsteps in the hallway before they grabbed him Take him one man suddenly said Edvard looked up in surprise at the unexpected words and saw several hooded men barging into his office What was all he managed to say before two men stepped around his desk and lifted him to his feet They held him so tight that when he tried to fight he couldn t get anywhere This is a nice one He ll do The man who talked was apparently their leader He sounded as if he were smiling behind the black mask Both my wallet and cellphone are in the drawer over there Edvard said nodding toward his desk The man laughed We re not interested in your money Prof We want something much more valuable Like what Edvard feared they wanted to kill him Maybe they even planned to make a video of the entire event and put it on TikTok Wasn t that what the young ones did

these days The leader stepped over to him and ran his hand down Edvard s chest Edvard gawked at him still not understanding what the hell they wanted Just get out of here before the guard sees you Edvard warned them We ve already taken care of the guard the man said smugly What the hell did that mean Had they killed him What did you do to him Wouldn t you like to know Maybe we ll tell you After we re done with you Edvard wondered if pleading for his life would make any difference There were at least four of them Maybe five if someone was watching the door from the outside Strip him the leader said Quill & Quire ,1996 **The Advocate** ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Gay, M/M, LGBT Romance Series " Surrender Series Boxed Set" 3 Books Age Play, May/December Romance, Single Father** Sky McCoy,2021-10-26 Grayle I knew Cade was my only the minute he walked into the room with such confidence I would know that beautiful man anywhere because his eyes caught my attention first He d changed Older Still in his twenties but there was something unusual about his laugh the way his lips parted when he chased a kiss and the way he held his head erect I guessed being away from home traveling had changed him into the man he was now and what an outstanding man he d become I wondered if he d remember me This series contain single father age play May December drama angst HFN and final book HEA Billionaire Gay Love Gay For the Werewolf Teacher Gay Mm Love Gay first time Gay for you Gay MM love gay Free Contemporary Romance Ebook Contemporary Erotic Romance BDSM Free New Adult Erotica Billionaire Adult Dominant Possessive Alpha Male First Kiss HEA HFN Love College Bad Boy Modern Millennial Hot Passionate Steamy Series Male Protagonist Main Character First Person POV 2020 US UK CA AU EU Suspense Mystery Nerd Short Story Trilogy Holiday College YA Young Adult Anthology Hottest Authors Writers Well written Popular Funny Bestselling Books Novels Ebooks Paperbacks Fiction UK Au Ca gay fiction mm gay fiction lgbtq lgbt UK Gay erotic bdsm short gay key Free Contemporary Romance erotic Ebook Contemporary Erotic Romance BDSM Free New Adult Erotica Billionaire erotica MM erotica Adult Dominant Possessive Alpha Male First Kiss HEA HFN Love College Bad Boy Modern Millennial Hot Passionate Steamy Series Male Protagonist Main Character First Person POV 2019 US UK CA AU EU Suspense Mystery Nerd Short Story Trilogy Holiday College YA Young Adult Anthology Hottest Authors Writers Well written Popular Funny Bestselling Books Novels Ebooks Paperbacks Fiction **Library Journal** ,2009 **New York Magazine** ,1997-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1997-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography
