Don't Mind Me Brian Coughlan,2024-05-14 The short stories in Brian Coughlan s Don t Mind Me dig deep into what it means to live in an increasingly connected but isolated modern world that demands far more than we can possibly hope to provide A couple with financial problems encounter an over bearing madam in her hell hole bed an aged wastrel must travel across the country to the aid of his ailing guardian angel a hurrying man falls inexplicably and is forced to confront the fragility of his body and the choices that were made for him What begins as tragedy trips into farce the realistic somehow turns mystical and viewed through a prism of irony these delightfully off kilter stories offer surprising often skewed and witfully unsettling impressions Don t Mind Me is a collection that follows no rules and leaves no tracks *Bon Courage* Ru Freeman,2023-08-29 Bon Courage is a fierce eclectic and intimate collection that encompasses the big questions of our time what we mean by courage how we define our world how we choose to exist in it Bon Courage is an exhilarating journey through a layered intellectual landscape textured with a range of political and personal enthusiasms and emboldened by a passionate defense of the disregarded Wide ranging and inclusive in the essay mode deep and revealing as a memoir with the dynamics and layering of great fiction As if that s not enough it sings Ru Freeman participates intimately while bringing global perspectives to subjects as diverse as Bowie and Dylan Palestine 9 11 hairstyles personal and cultural identity motherhood and MeToo A resplendent and compendious exploration of great empathy insight and bon courage indeed This is a book that is going to make a difference **The Waw** Jacqueline Gay Walley,2024-05-10 A creative individualistic woman risks following a vision to a place that ends up changing her to a new true risky loving self Dostoyevsky said Beauty saves and in Jacqueline Gay Walley s The Waw a woman leaves her New York life to follow an image she has seen of a small town of great beauty by the sea in England She does not quite know why she does this and is frequently asked and gives different answers There she encounters remarkable people of strength with whom she explores music love dignity and the gifts of solitude coupled with the gifts of community She in addition is having a collection of her writings published which is daunting to her since she knows she will now be revealed and not so pleasantly and this unglues her Along the way the reader gets a wry look at publishing The narrator is also wrestling with how the world s changing is being reported in such a vituperative manner She also has a boyfriend in New York who visits and reveals himself in ways unforeseen At the same time she meets two men on the island who astound her in their lack of artifice and sly profundity She finds herself in love and more open than ever before All of this put together strips her down to her essence where the beauty of the place and people are able to transform her to a better self The book is written in an inventive style novelistic seemingly memoir often poetic sometimes

with a touch of magic realism **American Mother** Colum McCann, Diane Foley, 2024-03-05 One of the best books I've read in many many years if not in my life Anderson Cooper Featured on MSNBC's Morning Joe What does a mother say to the person responsible for kidnapping torturing and murdering her son National Book Award winning author Colum McCann channels Diane Foley's voice as she tells her story as the mother of American journalist Jim Foley in search of answers beyond justice found through dogged empathetic spiritual enquiry In late 2021 Diane Foley sat at a table across from her son's killer Alexanda Kotey a member of the ISIS group known as The Beatles who plead guilty to the kidnapping torture and murder of her son seven years before Kotey was about to go serve life imprisonment and this was Diane's chance to talk to the man who had been involved with brutally taking her son's last breath What would she say to his killer What would he reveal to her Might she even be able to summon forgiveness for him So begins American Mother which reads alternately like a thriller a biography a mystery a memoir and a literary examination of grace Diane looks back on the early days when Jim was a child and his journey to journalism and the killing fields of the world where he reports with indefatigable determination and insight on the plight of those caught up in the agonies of war She guides us through her family history and the difficulties they faced when Jim was captured And she also charts the tenacity it takes to turn her grief into grace as she seeks to give voice to those who are still being kidnapped and wrongfully detained around the world Few journeys are more worthy than this and in this astonishing book we are all invited to celebrate the lives of those who are never in the end gone
