United Methodist Calls To Worship:

Mary J. Scifres, B. J. Beu, 2011-04-01 Worship leaders share a common challenge to provide quality integrated creative worship week after week for congregations hungry for meaningful and fulfilling connections with God. We are honored to offer this resource as part of your journey to help your congregations grow in faith. Many of our readers also find it helpful as a weekly devotional guide or a prayer resource as they gather for lectionary study groups. From the Introduction, Alternative ideas for Praise Sentences and Contemporary Gathering Words are offered for those who work in contemporary worship settings. Now more than ever, The Abingdon Worship Annual is a must-have sourcebook offering countless opportunities for planning meaningful and insightful worship. **Worshipping with United Methodists Revised Edition** Hoyt L.

Hickman, 2011-12-01 Revised and updated, this popular book shows pastors and worship leaders the basics of United Methodist worship. In this straightforward and updated commentary, Hoyt Hickman explains the basic pattern of United Methodist worship within the broader context of Christian worship. Drawing upon five basic principles, the author explains the formative nature of worship and how it can revitalize persons' lives. These principles are: God's Word is primary; active congregational participation is crucial; spontaneity and order are both important; worship should be relevant and inclusive; and worship is communion. This revision will highlight the African American contribution to UM worship, discuss at greater length what the various worship styles mean for us today, say more about the formative nature of worship, and include updated resources including the Abingdon Worship Annual, the Abingdon Preaching Annual, and Worship Connection. Explains basic resources for planning and leading worship. Gives the basic pattern of UM worship and its origins. Gives practical suggestions how to renew and revitalize worship. Helps pastors be effective leaders in planning and revitalizing worship. Helps pastors understand and communicate the uniqueness of UM worship. Helps pastors lead their congregation into a deeper and richer experience of God through worship. Labouring Side by Side Eben Kanukayi Nhiwatiwa, 2017-03-15

The ministry of evangelism is at its best when it occurs in and through the local church experienced by members at the local church level. Through the local church, Christians learn to discern the voice of the Good Shepherd and when they know the voice of the Good Shepherd, they easily run away from following the false prophets, false spiritual healers, and other strange voices. African local churches are the best arenas for converts to make their commitment to Jesus Christ and to be nurtured and guided toward Christian maturity when the pastor labours side by side with the members of the congregation, enabling the laity to learn what their clergy know about evangelism. **Living As United Methodist Christians** Andy
