

Funding Universal Pre-Kindergarten Education

Goal

Support high quality pre-kindergarten education by ensuring high needs districts that were early adopters of universal pre-kindergarten receive state funding at levels that keep up with inflation and rising costs.

Solution

Index universal pre-kindergarten funding to the K-12 Foundation Aid per-pupil amount for all enrolled students.

Why It Works

The funding a district receives for universal pre-kindergarten will automatically change in line with changes to the Foundation Aid per-pupil amount. This will allow districts to keep up with inflation and rising costs and preserve quality early childhood education.
