On Revolutions Colin J. Beck, Mlada Bukovansky, George Lawson, Erica Chenoweth, Sharon Erickson Nepstad, Daniel P. Ritter, 2022 A cutting edge appraisal of revolution and its future On Revolutions co authored by six prominent scholars of revolutions reinvigorates revolutionary studies for the twenty first century Integrating insights from diverse fields including civil resistance studies international relations social movements and terrorism they offer new ways of thinking about persistent problems in the study of revolution This book outlines an approach that reaches beyond the common categorical distinctions As the authors argue revolutions are not just political or social but they feature many types of change Structure and agency are not mutually distinct they are mutually reinforcing processes Contention is not just violent or nonviolent but it is usually a mix of both Revolutions do not just succeed or fail but they achieve and simultaneously fall short And causal conditions are not just domestic or international but instead they are dependent on the interplay of each Demonstrating the merits of this approach through a wide range of cases the authors

explore new opportunities for conceptual thinking about revolution provide methodological advice and engage with the ethical issues that exist at the nexus of scholarship and activism **Race and the Wild West** Laura J. Arata,2020-07-02 Winner of the Western Writers of America SPUR Award and the Western Association of Women Historians Gita Chaudhuri Prize Born a slave in eastern Tennessee Sarah Blair Bickford 1852 1931 made her way while still a teenager to Montana Territory where she settled in the mining boomtown of Virginia City *Race and the Wild West* is the first full length biography of this remarkable woman whose life story affords new insight into race and belonging in the American West around the turn of the twentieth century For many years Sarah Bickford s known biography fit into a single paragraph By examining her life in all its complexity Arata fills in what were long believed to be unrecoverable silent spaces in her story Before establishing herself as a successful business owner we learn she was twice married both times to white men Her first husband an Irish immigrant physically abused her until she divorced him in 1881 Their three children all died before the age of ten In 1883 she married Stephen Bickford and gave birth to four more children Upon his death she inherited his shares of the Virginia City Water Company acquiring sole ownership in 1917 For the final decade of her life Bickford actively preserved and promoted a historic Virginia City building best known as the site of the brutal lynching in 1864 of five men Her conspicuous role in developing an early form of heritage tourism challenges long standing narratives that place white men at the center of the Wild West myth and its promotion Bickford s story offers a window into the dynamics of race in the rural West Although her experiences defy easy categorization what is clear is that her navigation of social norms and racial barriers did not hinge on exceptionalism or tokenism Instead she built a life that deserves to be understood on its own terms Through exhaustive research and nuanced analysis Laura J Arata advances our understanding of a woman whose life embodied the contradictory intersections of hope and disappointment that characterized life in the early twentieth century American West for brave pioneers of many races **Handbook of Research on Administration, Policy, and Leadership in Higher Education** Mukerji, Siran,Tripathi, Purnendu,2016-09-27 The creation of a sustainable and accessible higher education systems is a pivotal goal in modern society Adopting strategic frameworks and innovative techniques allows institutions to achieve this objective The *Handbook of Research on Administration Policy and Leadership in Higher Education* is an authoritative reference source for the latest scholarly research on contemporary management issues in educational institutions and presents best practices to improve policies and retain effective governance Addressing the current state of higher education at an international level this book is ideally designed for academicians educational administrators researchers and professionals *Before Canada* Allan Greer,2024-07-12 Long before Confederation created a nation state in northern North America Indigenous people were establishing vast networks and trade routes Volcanic eruptions pushed the ancestors of the Dene to undertake a trek from the present day Northwest Territories to Arizona Inuit migrated across the Arctic from Siberia reaching Southern Labrador where they met Basque fishers from northern Spain As early as the fifteenth century fishing

ships from western Europe were coming to Newfoundland for cod creating the greatest transatlantic maritime link in the early modern world Later fur traders would take capitalism across the continent using cheap rum to lubricate their transactions The contributors to *Before Canada* reveal the latest findings of archaeological and historical research on this fascinating period Along the way they reframe the story of the Canadian past extending its limits across time and space and challenging us to reconsider our assumptions about this supposedly young country Innovative and multidisciplinary *Before Canada* inspires interest in the deep history of northern North America *Laughing North Koreans* Immanuel

Kim,2020-06-22 This study analyzes North Korean comedy films from the late 1960s to present day It examines the most iconic comedy films and comedians to show how North Koreans have enjoyed themselves and have established a culture of humor that challenges subverts and at times reinforces the dominant political ideology The author argues that comedy films popular comedians and the viewers have an intricate interdependent relationship that shaped the film culture the pre post production of filmmaking film watching experience and the legacies of actors in North Korea *Groundwater Ecology and Evolution* Florian Malard,Christian Griebler,Sylvie Retaux,2023-03-11 *Groundwater Ecology and Evolution* Second Edition is designed to meet a multitude of audience needs The state of the art in the discipline is provided by the articulation of six sections The first three sections successively carry the reader into the basic attributes of groundwater ecosystems section 1 the drivers and patterns of biodiversity section 2 and the roles of organisms in groundwater ecosystems section 3 The next two sections are devoted to evolutionary processes driving the acquisition of subterranean biological traits section 4 and the way these traits are differently expressed among groundwater organisms section 5 Finally section 6 shows how knowledge acquired among multiple research fields sections 1 to 5 is used to manage groundwater biodiversity and ecosystem services in the face of future groundwater resource use scenarios Emphasis on the coherence and prospects of the whole book is given in the introduction and conclusion Provides a modern synthesis of research dedicated to the study of groundwater biodiversity and ecosystems Bridges the gap between community ecology evolution and functional ecology three research fields that have long been presented isolated from each other Explains how this trans disciplinary integration of research contributes to understanding and managing of groundwater ecosystem functions Reveals the contribution of groundwater ecology and evolution in solving scientific questions well beyond the frontiers of groundwater systems **The Emerald**

Capital's Terrorists Chad E. Pearson, 2022-10-05 Through the late nineteenth and early twentieth centuries employers and powerful individuals deployed a variety of tactics to control ordinary people as they sought to secure power in and out of workplaces In the face of worker resistance employers and their allies collaborated to use a variety of extralegal repressive techniques including whippings kidnappings drive out campaigns incarcerations arsons hangings and shootings as well as less overtly illegal tactics such as shutting down meetings barring speakers from lecturing through blacklists and book burning This book draws together the groups engaged in this kind of violence reimagining the original Ku Klux Klan various Law and Order Leagues Stockgrowers organizations and Citizens Alliances as employers associations driven by unambiguous economic and managerial interests Though usually discussed separately all of these groups used similar language to tar their lower class challengers former slaves rustlers homesteaders of modest means populists political radicals and striking workers as menacing villains and deployed comparable tactics to suppress them And perhaps most notably spokespersons for these respective organizations justified their actions by insisting that they were committed to upholding law and order Ultimately this book suggests that the birth of law and order politics as we know it can be found in nineteenth century campaigns of organized terror against an assortment of ordinary people across racial lines conducted by Klansmen lawmen vigilantes and union busters

Utopian Universities Miles Taylor, Jill Pellew, 2020-11-12 In a remarkable decade of public investment in higher education some 200 new university campuses were established worldwide between 1961 and 1970 This volume offers a comparative and connective global history of these institutions illustrating how their establishment

intellectual output and pedagogical experimentation sheds light on the social and cultural topography of the long 1960s With an impressive geographic coverage using case studies from Europe the Americas Africa and Asia the book explores how these universities have influenced academic disciplines and pioneered new types of teaching architectural design and student experience From educational reform in West Germany to the establishment of new institutions with progressive interdisciplinary curricula in the Commonwealth the illuminating case studies of this volume demonstrate how these universities shared in a common cause the embodiment of utopian ideals of living learning and governance At a time when the role of higher education is fiercely debated *Utopian Universities* is a timely and considered intervention that offers a wide ranging historical dimension to contemporary predicaments *The Laws and the Land* Daniel Rück, 2021-09-15 As the settler state of Canada expanded into Indigenous lands settlers dispossessed Indigenous people and undermined their sovereignty as nations One site of invasion was Kahnaw ke a Kanien keh ka community and part of the Rotinonhsi nni confederacy *The Laws and the Land* delineates the establishment of a settler colonial relationship from early contact ways of sharing land land practices under Kahnaw ke law the establishment of modern Kahnaw ke in the context of French imperial claims intensifying colonial invasions under British rule and ultimately the Canadian invasion in the guise of the Indian Act private property and coercive pressure to assimilate What Daniel R ck describes is an invasion spearheaded by bureaucrats Indian agents politicians surveyors and entrepreneurs This original meticulously researched book is deeply connected to larger issues of human relations with environments communal and individual ways of relating to land legal pluralism historical racism and inequality and Indigenous resurgence **The Puzzle of the American Economy** Mark A. Pisano, 2017-03-09 Exploring how sweeping demographic changes have resulted in the ineffectiveness of recent monetary and fiscal policies this book identifies corrective actions that will start to reverse the trends of low economic growth and widespread government deficits The field of demographics does not focus on the economic impacts and the funding issues resulting from demographic change Similarly economics does not take into account demographic changes The omissions in both fields are negatively impacting the nation income reductions caused by demographic changes that have not been accounted for are so large that current fiscal policies are not able to mitigate them *The Puzzle of the American Economy How Changing Demographics Will Affect Our Future and Influence Our Politics* exposes the factors that are undermining the nation s prospects for improving the rate of economic growth and keeping up with citizens needs for government provided services Author Mark A Pisano explains the hidden drag on the economy that has led to the ineffectiveness of recent monetary and fiscal policies how uncertainty in economic policymaking is affecting America politically as well as at the individual household level and why those who are adversely impacted are becoming politically disaffected He also presents an agenda for corrective individual action Readers will understand how the results of changes in demographics will last for decades and extend beyond the United States to many developed countries particularly Japan and nations in Europe as well

as to some developing countries The book will be of value to students studying macro and micro economics those in public policy at all levels of government public administration and governmental budgeting and anyone attempting to understand the current dilemma in economic policymaking and our disjointed political process **Men, Masculinities and Honour-Based Abuse** Mohammad Idriss,2019-12-06 This book explores the largely neglected relationship between men

masculinities and honour based abuse HBA There is a common misconception that HBA whether physical violence emotional abuse or so called honour killings occurs only against women This book addresses the gap in the current literature concerning the relationship between men masculinities and HBA With contributions from an international and interdisciplinary range of both academics and professionals the book examines HBA and forced marriages specifically from male victim perspectives both in the UK and internationally Providing a clear understanding of the main theoretical and sociological explanations of HBA against male victims the book demonstrates that although men are indeed the main perpetrators of HBA state agencies must address the fact that many men are also victims This book is essential reading for students academics and practitioners alike Yearbook of International Organizations 2014-2015 (Volume 4) Union Of

International Associations,Union of International Associations,2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations Bush Heritage Australia Sarah Martin,2016-09-01 With a plan

to own or manage one per cent of Australia by 2025 Bush Heritage Australia is an organisation with big ambitions Started by Bob Brown in 1991 Bush Heritage was born from an urgent mission to protect pristine land from logging After buying two blocks of land in Tasmania s Liffey Valley Brown built a philanthropic organisation to help pay for them As donations flowed in and the organisation grew Bush Heritage set its sights on acquiring tracts of land across the country repairing environmental degradation and bringing native plants and wildlife back to health Twenty five years later with more than one million hectares in its care Bush Heritage s achievements are celebrated in this book along with its growth from humble beginnings into a large non profit with benefactors all over the world Central to this story are the ecologists researchers land managers local Indigenous groups staff donors and a brigade of volunteers who have helped the organisation to thrive For the ever growing band of benefactors and the volunteers and staff of Bush Heritage Australia happiness flows from our

combined effort to ensure that Australia's unique landscapes wildlife and ecosystems prosper into the future BOB BROWN

Homelands and Empires Jeffers Lennox, 2017-05-08 The period from 1690 to 1763 was a time of intense territorial competition during which Indigenous peoples remained a dominant force British Nova Scotia and French Acadia were imaginary places that administrators hoped to graft over the ancestral homelands of the Mi kmaq Wulstukwiuk Passamaquoddy and Abenaki peoples *Homelands and Empires* is the inaugural volume in the University of Toronto Press's Studies in Atlantic Canada History In this deeply researched and engagingly argued work Jeffers Lennox reconfigures our general understanding of how Indigenous peoples imperial forces and settlers competed for space in northeastern North America before the British conquest in 1763 Lennox's judicious investigation of official correspondence treaties newspapers and magazines diaries and maps reveals a locally developed system of accommodation that promoted peaceful interactions but enabled violent reprisals when agreements were broken This outstanding contribution to scholarship on early North America questions the nature and practice of imperial expansion in the face of Indigenous territorial strength

Regulation and Governance of Mutual Funds Mohammed Khair Alshaleel, 2022-08-12 This book provides a detailed analysis of mutual fund regulations and governance in the UK from the investor protection perspective It comprehensively describes mutual funds by their function social utility and legal attributes examining the level of protection provided to retail investors under existing regulations Mutual funds are externally managed with fund ownership separated out from their management which carries a potential conflict of interest between the self interests of the fund management and each fund's investors The book provides an in depth analysis of this agency problem in the mutual fund industry comparing the competing governance models in the UK and the US and the supervision of management activities In the UK it investigates the main governance mechanisms including disclosure the effectiveness of voting rights and the role of the Financial Conduct Authority in protecting investors It also considers the role of prudential regulations in protecting mutual fund investors with a particular focus on risk management and mutual fund liquidity crisis The book further investigates the impact of the withdrawal of the UK from the European Union Brexit on the industry and what this means for the future of the undertakings for collective investment in transferable securities UCITS in the UK The concept of mutual funds is still not clearly understood so this book will clearly define the different legal and practical aspects of mutual funds It will be the first substantial study of mutual fund governance mechanisms under the existing mutual fund laws and regulations in the UK
