United for the sake of peace divided for the sake of peace Humans and werewolves do not share cities let alone hearts Samantha BindsA moderately successful interior designer from Green Bay Succor City Alabama Samantha believes she lacks focus in life and has recently began wondering if she had been searching for it in the wrong places most notably in her less than satisfying relationships with men who seem to take more than they give She is more than ready to give up this aspect of her life but then won t the chasm be too great and deep for her to fill it alone She is afraid of finding out She is sauntering home alone from a night party when she rescues apparently a man from a pack of dogs Despite the fact that he is injured and shaken and her current mood is nothing to be celebrated she is not oblivious of his rippling muscles bulging through a tattered shirt and his blatant masculinity evidenced by a well chiseled face thick stubble expressive eyebrows and deep set eyes that seem to probe into her very soul He towers over her as he tries to assure her in a deep voice deeper than she s ever heard on any man that he is fine He brusquely brushes her off when she expresses concern and suggestions of a hospital but she is undeterred by his rough exterior for this may be her only chance She is willing to break centuries old prohibitions At a time when humans and werewolves share the world but not cities Sam wonders if casting her net wider would not be a better option He may be just what she needs to focus to make her forget Nelson Cheep her stingy cheating boyfriend Even if it is only for one night Kane LimaricHe has a past he wishes gone a present he can barely tolerate and a future he dares not glimpse into Five human bodies have been discovered in the Leeve Valley which divides humans and werewolves and all

evidence points to Kane It is a crime for a werewolf to maim hunt and or kill humans Before he could be brought before the Council of Ethics for a trial and possibly a death sentence he escapes Now an outcast from his community Kane must live in the human world masquerading as a human It seems he s been found but he ll go down fighting More than his werewolf primal instincts are awakened by the human woman who interrupts the fight he would rather forget for at the back of his mind he knows if she had not appeared when she did he would be dead He knows the centuries old peace rules He disregards them and chooses to break them by burying such thoughts deep in his subconscious as he follows the woman who seems eager to tear away what remains of his clothes He mistrusts humans and especially ones who ignite his desires to a scorching heat that incinerates his past making him forget it even if for a short while However he will be forced to face his demons once again when like the mythical phoenix his past reawakens from the ashes of his passions Will he face it and prove his innocence or will he run again Fate or destiny it is up to the two a werewolf and a human to find out as events precipitated by their chance meeting unfold and spill out of control

she threatened crudely removing the dagger before digging it back into his arm to state how serious she was Mark My Words In response to her violent caution mirth filled his eyes instead of fear anger or pain Let him go He smirked at the quixotic thought She would not be able to Reviews What the readers are saying about this book The story line is truly captivating and absolutely thrilling I love the fact that the main character is not some naive girl who knows nothing She has character This story is soo good I enjoy how Maya isn t the usual goody two shoes She s cunning and she s not afraid to do everything to save her mother regardless of the repercussions She s so badasssss and maaan I just love it It is easily one of the most original plots I have read so far This book is just like quicksand You come here knowing nothing and when you realize it s got a hold of you it s too late you re addicted just like the rest of us This book is so fabulous Best book ever This book is amazing I love the depth of the characters personalities it made them seem real and I loved how we got to know them I recommended this book to a group of 7 friends because I really do just love it and think they d like it too It s a beautiful story The amount of details just adds more life to it I have read many other authors books but this story and series has attracted me like none other The amount of suspense anticipation love and hate just encourages me to read the story again and again Every detail just increases a reader s love for the story I really like the story how the characters developed and how the story progressed I have read her other books and I can say that she s a terrific author and I can t wait for her future books Fantastic story by a great author Love reading her books and enjoy how she brings the characters to life I absolutely love this book I have read many werewolf books but this book has a completely different take and it is written exceptionally well I would recommend this book to anyone that enjoys a good read The suspense is perfect The chemistry between them is off the charts and they haven t even properly bonded yet They both are driven which makes dynamics of their soon to be relationship interesting Who will bend and how will they make it work So far this book has captured my imagination right from the first chapter Great writing Thank you I have no doubt that with your writing talents you shall be an established author in no time I can vividly picture the story in my mind The author is truly talented at bringing the characters setting and scenes to life I m aroused and excited at every chapter even in waiting This story just began and I m already craving it like a drug I m even writing a review when it is something that I NEVER do Before reading you just need to know that it is dark so if it is something you don t like this story is not for you But if you could care less and you love romance hot werewolf dominant men and strong women this story is just for you The plot is marvelous and for those like me who read thousand of werewolf s stories its originality is like fresh wind This story is far from the cliché werewolf stories out there I ve only read the first few but it has me hooked The writer is so descriptive that I can picture everything in my mind This story is a must read for anyone who loves a little mystery with their romance Really really reeeeeally great story It s definitely a 10 10 *The Alpha's Breeder* Tay T.,2020-01-29 Meet Eros Hall an Alpha who isn t arrogant domineering or egocentric and fall in love just as hard as our main character does After being kidnapped by a group of vengeful werewolves Emira finds herself in one hell

of a situation First she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct Second her true soulmate is a powerful Alpha who is hell bent on keeping her And third to make matters worse she only has six moon cycles to be marked mated and pupped What does that even mean This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I m only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I m trying to figure out what kind of species the main character is Second of all I ve only read the first couple chapters and I m already hooked I m on the edge of my seat waiting impatiently to see what s going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can t wait to read more Charlotte Moore This is one of the best book I ve read before Reading this book will make you feel like you re on a emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn t turn out at all like I thought it would Tinkerbelle Leonhardt Too awesome LOVE this story soooooo much and I can t get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn t stop reading it Angel Agams It s hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what s going on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that s exactly what happened here I m usually not a fan of these kinds of werewolf stories where the mate doesn t have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It s sooo good It has a unique plot line that is not your everyday cliché werewolf novel The main character Emira is so funny and relatable And don t even get me started on Eros He s hot period It s different and I HIGHLY recommend it Kari *Werewolf Romance* Anna Solis,2015-08-03 WEREWOLF ROMANCE FREE Bonus Included Seduced by her Wolf Romance Wolf Shifter Fantasy Paranormal Romance Ariana often worked late that was nothing new but what happened on her walk home was She had walked through that park over a hundred times but that night something sinister waited for her Frightened and trying to
