Godly Relationships Dr Amanda Pool, 2021 The author discusses different aspects from a Biblical perspective what she has learned through her journey growing into a deeper relationship with Jesus Christ and

others She reflects on scriptural insights to help the reader see through a different lens how one's relationship with Jesus Christ is the ultimate basis to determine the way one will interact not only in the religious arena but also in other areas and more specifically in business in the market place This is not only about an opportunity to grow in relationships in godly character or Biblical excellence but also about listening and being obedient to God's voice The question is asked if are you one of the chosen ones and by hearing God's voice will you be obedient and partake in her Kingdom building godly business or if you have your own change the way you run your business and influence others Your relationship with Jesus Christ is indeed the determining factor in how you live your life and influence others Other aspects that are discussed will give more insights as to the hows and the what nexts and it might just shift some of your perceptions and paradigms in the process Significance Paradigms and Renewing Your Mind Godly Kings in the marketplace Money and Stewardship Growing the Numbers God's many many promises in His Word for example Romans 12:2 Do not be conformed to this world but be transformed changed by the entire renewing of your mind by its new ideals and its new attitude so that you may prove for yourselves what is the good and acceptable and perfect will of God even the thing which is good and acceptable and perfect in His sight for you AMP Romans 15:4 For whatever was written in former days was written for our instruction that by endurance and encouragement from the scriptures we might hold fast and cherish hope AMP **God Story** Alain

Emerson, Adam Cox, 2024-07-09 The God Story is a compelling and creative retelling of the biblical story Alain Emerson and Adam Cox two leaders of the 24/7 Prayer movement help you find personal meaning and purpose in light of God's unfailing love and awe inspiring plans for humanity as laid out in Scripture Why is it that every time we hear the phrase once upon a time we are captivated curious to know what these inviting words will give life to It seems something fundamental to our existence is exercised when we are drawn into a story As human beings we are meaning making creatures and yet so often we struggle to make sense of the world and our place in it Each one of our lives is a unique and unrepeatable creation Each one of our stories is precious and worthy of being told shared and experienced Yet none of our stories make sense in isolation disconnected from a wider plot Our stories only truly find meaning when they are linked to the very source of our lives and the unfolding drama into which we were born The God Story is a compelling and creative retelling of the biblical story from 24/7 Prayer which will help you find personal meaning and purpose in light of God's overarching and awe inspiring plans for humanity as laid out in Scripture It is the story we're all waiting to hear It is time to be enchanted afresh by the God Story and in doing so discover beloved identity and be inspired to make a difference in today's world Theoterrorism v. Freedom of Speech Paul Cliteur, 2025-10-01 The Rushdie Affair the Danish Cartoon Affair the assault on Charlie Hebdo and the earlier Carrell Affair are examples of religious fanatics extreme reactions to religious satire and criticism Perpetrators of these actions consider themselves as true believers This book aims to understand their motives by means of the concept of theoterrorism terrorism grounded in religious zealotry Deeper Insights R. Christopher,2022-09-15 The Gospels are the life transforming accounts of Jesus when He walked on this earth They are fascinating chronicling His sacrificial death and resurrection powerful miracles compassionate interactions and authoritative teaching But some things are difficult to understand at first glance Like what did Jesus mean when He said Have salt in yourselves and be at peace with one another Mark 9 50 Or what did He mean when referring to a winnowing fork when discussing judgment Or why do we have only four Gospels Christopher Arulanand and Dr Santha Christopher have mined the depths of the Gospels to provide readers with deeper insights answer their questions and expand their knowledge of the Gospels They provide a rich cultural and literary background that sheds light on Jesus teachings and clarifies essential spiritual principles All of this is done in an easy to read question and answer format Find answers to your questions and ask new questions in this insightful resource from seasoned ministry leaders **Hidden Treasures** R. ARULANAND,2018-08-30 In a busy world surrounded by all sorts of distractions it becomes an uphill task to strike a balance between our work family and social life Through this hustle and bustle we find ourselves struggling to stay connected to God through His Word on a daily basis That s where Hidden Treasures can come in handy In Proverbs 3 4 5 the writer exhorts us to seek God s wisdom as if they were hidden treasures so that we understand the fear of the Lord and find the knowledge of God With that goal in mind each day s devotional draws your attention to a short passage or a few verses in the Bible While some of the stories events and characters from these passages may be well known the information presented is meant to help you gain fresh insights from the already familiar sections of Scripture We all know that Lazarus was raised from the dead but now find out how Martha missed out on her miracle And read on if you ve been curious why Jesus cursed the fig tree even though it was not the season for figs Hidden Treasures will inspire you to love the Lord deeper make your faith stronger seek His counsel and comfort while you navigate life s trials and challenge you to become more Christ like with each passing day

Everybody Hurts - A Foray into the Minor Prophets Richard Bradbury,2017-11-23 Many see the Minor Prophets as dusty old men who are irrelevant to the 21st Century world However on further reading we encounter real people who were brave enough to challenge the attitudes and behaviours of their generation Speaking prophetically they called their nation back to God even when it cost them personally which it usually did They suffered harassment rejection and sometimes death but proclaimed their message faithfully That is why I have called this book everybody hurts their message was painful to deliver and painful to receive As you read this book you will find out a little more about these men and the context in which they were bringing their message This includes a synopsis of the political and social situation of the times as well as a view of the history that formed the backdrop to their words The message they were given to bring into those situations is summarised and then mapped to our own context The reader will be left in no doubt that the words of these men are as relevant today as when they were first given This book contains a prophetic message that speaks right into our own generation which we would do well to heed Richard Bradbury is based in Beverley East Yorkshire and leads Beverley Community Church He also

represents the Groundlevel network of churches in Churches Together in England Married with four children his primary gifting is as a teacher to the Body of Christ Book reviews online PublishedBestsellers website *The Prosperity Gospel in Africa* Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth **Unlocking the Bible Story: Old**
